COMMODORE'S REPORT DICK PAINE

PSYC - APRIL

Our three Long Range Planning Committees; Finance, Facilities, and Membership; continue to meet and are progressing toward a synchronization led by Larry Newton. I know you are anxiously awaiting their output. We look forward to their recommendations and their delivery of the plan for the next five years. The Board will be reviewing the results and bring them to the general membership in the May/June timeframe.

Opening Day is May Day this year; the 1st of May. Under the leadership of Don Snider, Opening Day is going to be a lot of fun and a traditional PSYC Opening Day. The weekend will kick off with boats coming to the Club for the weekend. On Friday night, we will have appetizers and dock fun. On Saturday, we will start out with a breakfast given by the Past Commodores, have the flag raisings and the ceremony, and then the bridge will be going out on our flagship (Steve Cook's boat) for the review. Your bridge will be in their whites, with white gloves and all. There will be a special addition to the cruise through the cut with a PSYC special touch. The dinner will start at 6:30pm and then dancing starts at 8:30pm. This is the time to celebrate the start of boating season. On Sunday, we will be going to Queen City Yacht Club en masse for their breakfast. Come and join the fun.

A special THANK YOU to Pat Megaw, our 2004 Roster Chair. The 2004 Roster is now available. The Roster is no easy task and takes many, many hours of hard work and dedication; something Pat has done for the past three years. When you

her in person! Pat has done an exceptional job for us all. I'm sure she would appreciate hearing this from you.

go to. Everybody who has gone to Fox Island has had a blast and enjoyed the beautiful setting. Come along!

The upcoming work parties at Hat Island and at the Club are very important to our boating season.

The work parties set our facilities up for the boating season and for Opening Day. The work parties are a lot of fun as well as sprucing up our facilities. So we need your participation; see you there.

**VICE COMMODORE'S REPORT
PAT HANSEN**

Spring is officially here and Daylight Savings Time starts on April 4th at 2:00 am. Both are equally welcome after a long winter. The Hat Island Work Party will be held on Saturday April 3rd. The main items to be taken care of are pressure washing the dock, installing new cleats, and securing the docks together with chain.

The Spring Work Party at the Club will be Saturday April 24th - the week-end before Opening Day. We will be concentrating on the electrical stanchions. New outlets will be installed and the stanchions will be painted so bring old cloths. There will be a posted list of other "sprucing up" things to do - so please come join us. We will plan to start at about 9:30am. A continental breakfast - and lunch will be provided.

I want to give a big THANK YOU to Marsha Henry for weeding out the old dead plants in the pots and planting areas - and to Bill Henry for taking away the old ice machine. It is much appreciated.

I also want to inform everyone that we have new renters who will be using the upstairs at the Club every morning - 7 days a week - between the hours of 6:30 and 8:15 AM. Opening Day - Saturday May 1st - will be the only exception for now - and we will give them any other Club conflicts in advance.. The group is called Waters Edge and they are a group of professionals who have been meeting together for over 20 years.

Happy Cruising!!

IMPORTANT NOTICE

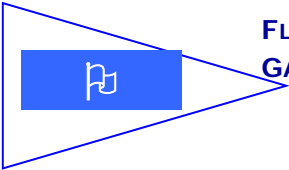

Starting Thursday April 1, 2004 the Club is rented every day - 365 days a year - from 6:30 AM to 8:00 AM. Please make sure that nothing is left in the downstairs hall or in the upstairs meeting room overnight.

FLEET CAPTAIN'S REPORT
GARY SHENEMAN

Bell Harbor

The first day of spring brought sunny skies and smooth water for the first major cruise of the season. By all accounts everyone had a joyous time at Bell Harbor competing in a scavenger hunt and testing their boating knowledge in a trivia contest. Donald and Karin Frissell and Don Snider and Carol Andrus we're outstanding cruise captains and made sure everyone was involved and extremely well fed.

Somehow they even managed to arrange a short visit to the marina by the Royal Argosy - a real treat as we enjoyed appetizers and a cocktail on the dock....

May

Pretty Sassy

Yachty Chicks Red Hat Society is now off to a great start. We have officially registered our chapter with the Red Hat Society at National Hatquarters. For those of you who don't know, the Red Hat Society is for ladies over 50 who enjoy getting together and wearing red hats and purple clothing. Those under 50 are welcome to join, but must wear a pink hat and lavender clothes. It was all started by a lady in California who started getting together with her friends after reading the poem "Warning". I'm sure you have all heard the

line.....".when I am old I shall wear purple and a red hat"..... We are a playgroup for women whose sole purpose is to have a good time. Our gathering on March 22 was for my coronation as Queen Mum and initiation of our members. Linda Barrett wrote this poem:

** Do you promise to wear hats and gloves and shoes of red? And purple frocks and socks in bed? To eat fine chocolate and drink red wine? And cakes and cookies when you dine?

** Do you promise to lead us into mischief with enthusiasm and forethought. Throwing caution to the wind and asking ourselves "why not?"

** Do you promise to make us laugh and play and fill each day

With memories that forever will make us say we're proud to be members of such a young mix. The newly formed chapter of Pretty Sassy Yachty Chicks!

If you would like to join us, our next event is Sunday April 25th, in celebration of the birthday of the Red Hat Society. We will be going to brunch at Ivar's. Please let me or Judy Hawks know if you would like to come. We only have a few spots left out of our reservation for 20.

YOUR HELP IS APPRECIATED!

To **Denny King** and his diligent committee of hard working members; **Kevin Carlson, Bill Allen, Ron Costello, Dan & Rochelle Gray, Mike Hastings, Jack McBrady, Barbara McCarthy, Bob Quick, Gary Sheneman and Keith Turner**, whom all worked on getting the ads for the 2004 Roster. Also to **Jim Barrett** who sent me the CD with the web site information, my enormous gratitude and thank you to each one. Without your help the roster would not be the first class book you see & enjoy today. Each one of these members work very hard to gather support from our business friends, I urge and encourage every member to **SUPPORT OUR ADVERTISERS**, don't hesitate to let them know that you are with PSYC and appreciate what they do for our Club.

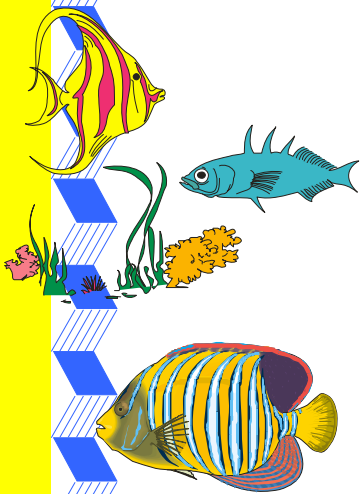

To all those that have helped me with this huge task over the past several years "I THANK YOU". For the person picking up this gauntlet, my advise is to start gathering your materials NOW !
