

Commodore's Report—Barry Ellingson

January Calendar

I want to start by wishing everyone a Happy New Year!!

Calling all members new and old.... One of my goals, as your commodore, is to get more of you involved in our cruise and social activities. From my own personal experience it is a terrific way to meet more of your fellow members. It is true, the planning meetings are as much fun as the cruises and socials themselves. Personally, I have made some great friends by offering to

help. For those of you who will Chair an event, try to recruit a new member. They can learn, offer new ideas, and meet other members. What could be better! Please contact Gary Sheneman and Chris Thompson to offer to help on a particular event. They will be leading us toward another year of great times and fabulous memories.

Brian and Jim Barrett are working hard enhancing our web site. There will be links to many of our roster ad-

vertisers for one. Please at least give these businesses a chance to try to earn your business as they support our club with their ads. You will also find links to the emails of all your bridge officers to make it easy to contact us via email. We encourage club members to let us know their thoughts or questions on anything about the club.

I will see you at the January general meeting. We will approve the 2006 budget.

Great Saying

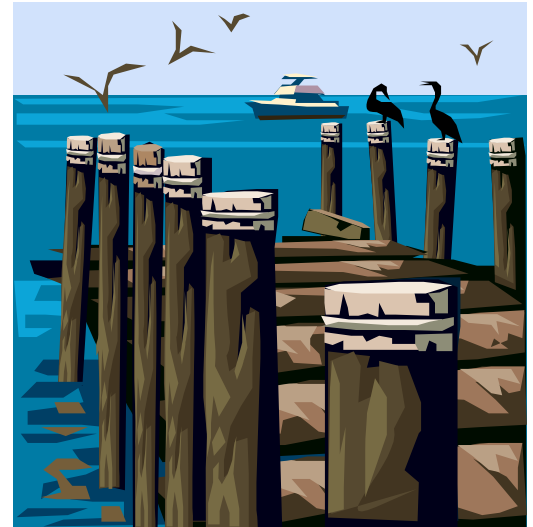

It will rain the same time the next day if the sun shines while it rains.

Vice Commodore's Report - Mike Haistings

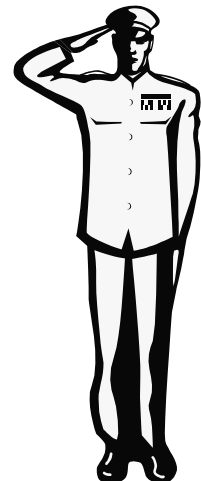

Here we are at the start of a New Year and that means I have a new job as Vice Commodore. As Vice Commodore I will be responsible for managing the physical properties of your club. If you have concerns related to the club or outstation I would appreciate hearing from you. I'll do what I can to correct the any issues. I have asked Pat Hansen to continue to manage the club rentals. I think that having someone located near the club to assist with showing the facilities and to work closely with the renters makes good sense. If you have any rental questions or would like to rent the club give Pat a call or let me know and I will coordinate with her. Bill Dils will remain as Dock Master for another year and Norm Grossmann has volunteered again as our Outstation Representative at the Hat Island facility. I hope to have a fun and productive year and with your help I think that we can accomplish a great deal. I will do my best to take

good care of your clubs properties and assets.

Rear Commodore's Report—Gary Sheneman

Welcome to 2006! I'm very excited to begin the year as your new Rear Commodore and I'm very much looking forward to what the New Year will bring for PSYC. I plan to work extremely hard to ensure we host events that inspire involvement and encourage participation from a broad range of members. I believe we've taken the first step towards this goal with an action packed and diverse slate of social activities planned to appeal to the varied interests of our club members.

From pig roasts to wine tours all of our events will include the following ingredients - great camaraderie, endless high jinks and enjoyment. It will all begin with our Ice Breaker on Saturday, January 14th. We will be hosting Richland Yacht Club again this year to recognize the generosity they demonstrated during our wine tour this past fall. Make plans to attend and show them our PSYC spirit.

For our next big event we'll be GAFIA by heading to the mountains for a little fun in the snow. Plans are just beginning to be formulated so it's not too late if you have ideas you'd like to pass

along.

I'd also very interested in your ideas with regards to our speaker series this year. I want to ensure we have a balanced and interesting agenda so please share your ideas.

Here's to the New Year and the new friends who will join us!

Fleet Captain's Report - Chris Thomsen

We are looking forward to the Annual Poker Run on February 11. Neil and Laurance Kroeger, Bill and Sue Dills, and Barry and Marcia Ellingson have volunteered as a group to Captain the cruise. Mike and Lisa Hastings have offered their vessel as a picket boat. They will need two more picket boats so call Neil if you would like to volunteer. Please feel welcome to join the fun and, as always, friends and family are welcome.
