

## Commodore's Report—Mike Haistings

Here we are spring is officially here and we survived the winter weather - and what a winter we had; high winds, heavy rains, flooding, snow and freezing temperatures. I hope the spring and summer weather will be much kinder to us. But who are we to let the weather impact our boating adventures as the club has had two successful cruises despite it all. Recently the **Switzers** and **Ornelas** put on a great weekend cruise to Port Orchard to help us all celebrate the luck of the Irish. They feed us well, and also hosted the Seabacs yacht club. We had 11 or so PSYC boats and maybe 4-5 Seabacs boats, I believe that **Doug** said he fed about 45 people. We all had a good time thanks **Doug, Annette, Joe and Kathy** (some more than others, right Doug?). If you missed the Port Orchard cruise you will want to mark your calendar for the April cruise to Tacoma on April 20<sup>th</sup> – 22<sup>nd</sup>. **Bob and Judy Quick** are planning a weekend full of events to tie in with Tacoma Yacht Club's Daffodil festival. Please let the Quick's know soon if you are able to attend, the Tacoma cruise last year was a great time and you won't want to miss it.

The new 2007 rosters are printed and ready to be handed out. Those of you who were at the March general meeting should have picked yours up that evening. If you are current with your dues and haven't

picked up your roster, please try to come to the April general meeting to get your roster and your 2007 membership card. I would like to keep the amount of rosters that have to be mailed out to as few as possible to save money and time.

As you all know by now, **Doug and Annette Switzer** are moving back to the Bay Area later this year (we'll miss them both greatly) and I've been looking for someone to fill the gap for the treasurer position. **Larry Newton** has kindly volunteered to fill in as treasurer for the rest of the year starting in June. Thanks Larry I appreciate your help and look forward to working with you and having you as part of our bridge.

Finally, you will want to mark your calendars for May 5<sup>th</sup> as that is Seattle Yacht Club's Opening Day of boating season celebration (and Cinco de Mayo too). The past commodores are planning to serve a wonderful breakfast and Bill and Peggy are working on big doings for dinner and dancing that evening.

## Vice Commodore's Report - Gary Sheneman

Spring is here and we are a month away from Opening Day and the beginning of another fabulous boating season in the Northwest. Donna and I were able to participate in the Port Orchard cruise this past month (hat's off to the Cruise Captains for a wonderful time) and are eagerly anticipating more boating fun this year. Before we get carried away with all the fun on the water we have some chores to do to ready our clubhouse and docks for the up coming season. April 28th is the date of our spring work party and we have a variety of things that can benefit from your skills and talent. We'll be starting

around 9:00am in the morning and will have breakfast snacks to get us going and we'll have a hearty lunch to keep us going. Come on out and join the fun.

## Rear Commodore's Report—Kevin Haistings

Greetings. Well it looks like spring has sprung. My lawn is getting tall but it's too wet to mow, it's light enough in the evening to check on the boat after work, and see how dirty it is..... Yep it's spring. Time for all that spring cleaning. The club needs some clean-up and it's scheduled for April. Opening day is right around the corner, so summer cruising can't be too far behind. But, once all the cleaning is done it might be time to "Get Away From It All" or "GAFIA". We have some rooms reserved for us at Cambell's Resort on Lake Chelan. The weekend we've selected is May 11-13<sup>th</sup> (Mother's Day weekend). I know that might not be the first choice but it is a good pick for getting a good chance at warm weather and still get the winter rooms rates. Since our socials seem to always have a name I thought we could call this years "GAFIA" the "Mothers Day Get-Away". A bonus for going over on

Mother's Day is the hotel has a popular Mothers Day Brunch Buffet on Sunday. We will need to make reservations soon. More information will go out to each member by email. Well gotta go, the lawn mower needs a tune up. See y'all around the club.

## Fleet Captain's Report - Chris Kullmann

The St. Pattys cruise to Port Orchard was a great success, 12 club boats, 4 Seabacs and some drive ins. The **Switzers** and **Ornelas** fed us fantastic corned beef and cabbage and brought out the sun Friday and Sunday. One of **Kathy's** brownies had the adult minimum daily requirement, Mmmmm good. **Doug** found some green so he could fix his H2O. The **Quicks** have the Tacoma cruise april 20-22. Tacoma is a great place to go with much to do on the waterfront. This is also Daffodil weekend. Work party at the Club April 28. May 25-28 is the Memorial Day cruise to Anachortas, contact the **Haistings** or **Shenemans** to sign up. Contact **Larry** or **Jerry** for the Hat Island Golf cruise (no you do not have to golf , just have fun) June 8-10. Please sign up early for these and future events. We need early sign ups for the Labor Day cruise to secure moorage. Contact **Mike Haistings** or myself. The weather is warming, lets go cruising.
