

## Commodore's Report—Mike Haistings

Dec Calendar

12/2 Special Peoples

12/12 Board Mtg

12/19 Awards Banquet

This will be my last Sound Waves article as your 2007 Commodore of the Puget Sound Yacht Club. I would like to thank all of you for your trust in me to provide leadership to your yacht club over the past 3 years. And to all the members that volunteered throughout my tenure to help in the numerous tasks, I thank you for your support, our volunteers is what really makes our yacht club a success for all. I think that the future of our club looks good as we have a great mix of members that bring diverse talent to help lead our club forward. I also want to welcome the incoming 2008 board and bridge; you are a highly skilled group that has the clubs best interest at in view.

I have just a few items left to transition; the first is the Hat Island meeting follow-up from last month's meeting.

**Paula Spina, Kevin Haistings, Gary Sheneman** and I met with our attorney and Hat Island representatives on Wednesday November 28<sup>th</sup>; I think the meeting went well. There was good discussion on both sides and I think the Hat Island team has a better understanding of our current issues. The four of us will be meeting at Hat Island with Chuck Motson (Hat Island manager) on

December 11<sup>th</sup> to focus on putting together a list of repairs we consider necessary and reasonable, and what percentage of cost sharing we will be responsible for.

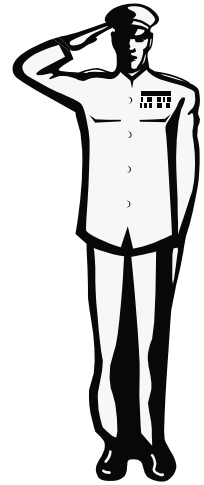

Next is the 2008 budget. Larry Newton and I are working on finalizing the 2008 budget and we will be presenting the proposed budget to the board at the December board meeting. Once approved by the board we will vote & approve it at the January general meeting.

Last but not least is the annual awards banquet dinner at the club on December 19<sup>th</sup>. This is a catered dinner, so RSVP's are required by December 10<sup>th</sup>. We will be finalizing the event with our caterer on Dec. 11<sup>th</sup> so we need your RSVP soon. We aren't planning for late comers do to the cost for the extra meals. The price is \$35.00 per person; you can make your RSVP to Mike or Lisa Haistings and make payments to PSYC. I hope to see you there.

### Vice Commodore's Report - Gary Sheneman

Donna and I would like to wish all of you and your families the warmest of holiday wishes. We kicked off the holiday season in traditional PSYC fashion this past weekend with the Seafair Special People's Cruise. Although it was a wet and blustery day, the weather did not prevent us from showing our guests a great time and once again helping to make memories of a lifetime. The cruise was followed by a fantastic dinner and friendship by forty or so members. Thanks again to everyone who participated in making this an extremely memorable event.

The Bridge met with Board Members and the Island Manager of the Hat Island Community this past week and were informed that they will be renovating the dock and primary ramp leading to the Holiday during the month of January. The improvements are planned for early January and will likely take between 4-6 weeks to complete. Of

course, this will impact the use of our docks as we will be without power or water and will not have dock access to shore. They have promised to restore our utilities once the new facilities are in place.

Looking forward to next year, there are a few Appointed Positions open for your consideration including things like Sunshine Chair, new membership committee and Opening Day. If you have any interest in these or any other volunteer opportunity please let me know. There are a ton of ways to get involved and I welcome all of you to join in the operation of PSYC.

Once again, I hope you have a joyous and wonderful holiday season.

Gary

We will publish this shortly as we do need some Cruise Captains and help. Please volunteer for a cruise or social. These are put on for you, the members, to more fully enjoy the Club.
