

Commodore's Report—Mike Haistings

I am looking forward to a good year of cruising, socials, and most of all doing my best to be a strong leader as the new commodore for our yacht club. I want to thank those that helped to set a great cruise and social calendar for the year ahead and look forward to working with my bridge, board, and appointed volunteers in the coming year. The 2007 appointed positions we are almost filled. I have two premier positions available to those that may want to volunteer for ABAW Representative or the Reciprocal Chair to manage the reciprocals. Please contact me directly if you have an interest in these positions. The roster committee is hard at work finalizing the 2007 roster and I want to thank those volunteers focused on getting our advertisers signed up and ad's ready for print. Just a few weeks out we will be having our first annual PSYC Wine Tasting Extravaganza at the Yacht Club hosted by the Quick's and Allen's on January 20th, it is sure to be quite the

event. The following weekend we are hosting the Richland Yacht Club for the 3rd annual Boat Show Brunch on January 27th. As you know Richland host's PSYC each year during our Wine Tour in October, it would be great to have a good attendance at this event, the food is always great!

I hope you all had a wonderful Holiday and wish you a Happy New Year. Looking forward to seeing many of you at the January socials.

Vice Commodore's Report - Gary Sheneman

Happy New Year! I hope that everyone had a tremendously enjoyable holiday season and are eager to see what unfolds in the New Year. I know as your Vice Commodore the New Year will bring me new challenges and opportunities and I look forward to greeting them with great enthusiasm and spirit. Mike did an outstanding job in 2006 and I look forward to continuing the momentum on club maintenance and improvements. We have several exciting projects proposed for the year including completion of the dock stanchions, new ovens for our galley and I'm hopeful we can install irrigation and update our landscaping and freshen our clubhouse with new paint and window coverings. These are ambitious goals and will only be possible with your continued participation and support and a healthily balance sheet. Club rentals will also remain a key focus in

2007 and Pat Hansen has agreed to continue to support this critical program. It's great knowing Pat will continue in this role and will be providing such outstanding support to our tenants as it funds a great portion of our improvements. I look forward to working with each of you in the coming year and ask that you please let me know if there is anything that needs my attention at our clubhouse, docks, or outstation.

It is my responsibility and goal to help you enjoy our assets to the fullest and I'm open and eager to listen to your feedback and ideas.

Here's hoping 2007 is a wonderful year for you and PSYC.

Rear Commodore's Report—Kevin Haistings

Greetings and “**Ahoy Puget Sound Yacht Club**”, whoa, I think I spent too much time around the Christmas Ship this year; at least they didn't have a power outage like the rest of the Northwest. Well, apparently Officers on the Bridge are expected to write a monthly column. I don't remember anyone mentioning that before-I wonder what else I'm in for.

Actually with all sincerity I am proud to be a member of the yacht club and glad that I have the opportunity to be a part of the Bridge. Many of you know that Michael and I are brothers and some of you have been with the Yacht club long enough to remember as teenagers in the old juniors group during the late 70's. I guess it's true, “boating is a family affair” and “a way of life”. I'm looking forward to getting to know a lot of you better over the next few years, starting with the first Club Social of 2007. On January 20th the Quick's and Allen's have volunteered to host a Wine tasting event at the club. Look for more info to come out soon, but plan on being at the club in the

late afternoon or early evening hours for the event. Also in January we are planning the Annual Boat Show brunch for Saturday January 27th. We still need a host and volunteers. Let me know if you're interested. I don't mind helping out but my idea of brunch is cheerios, peanut butter & jelly sandwiches, black coffee and maybe a jelly filled donut (you didn't think I would forget the donuts, did you?). The Ice Breaker Cruise is February 16-18 at Edmonds. The Dill's are taking the lead on planning and at least one email notification has gone out. Let them know if you're going to attend. There are several more events and cruises planned throughout the year and they should be on the clubs website. We have not yet scheduled the annual “GAFIA” event yet but we're looking towards late March and are contemplating either Leavenworth, Washington or Cannon Beach, Oregon. If you have any comments, would like to help with planning, or if you have a preference on where we go, let me know.

Fleet Captain's Report - Chris Kullmann

We have an exciting cruise schedule for 2007. Sue and Bill Dils are doing the Ice Breaker in Edmonds 2/16/07-2/18/07. Doug and Annette are captaining the St Patricks Day cruise in Port Orchard 3/16/07-3/18/07. Please let them know if you are attending. Still need captains for Vacation Connection and Labor Day. Have a great year.
