

Commodore's Report

Gary Sheneman

Summer has arrived and we're being treated to some exceptional weather.... so, now's the time to get out on the water! Donna and I are taking a week to visit the San Juan Islands and enjoy Independence Day at Roche Harbor. I hope all of you have made your plans to enjoy the best of boating in the Northwest.

Summer also brings me to the half way point in my term as Commodore and I couldn't be having a more enjoyable year. I hope you'll agree we've had some fantastic events this year with great participation and spirit. Our most recent event was our annual Golf Cruise to Hat Island. Once again, our cruise captains; **Jerry & Colleen**, and **Laurence & Neil** went above and beyond to ensure everyone had a fantastic time. Did they ever deliver! We had beautiful weather, a great Golf Tournament and an overall wonderful time enjoying the weekend.

The Board has been equally successful in providing leadership for the club and we are looking forward to a special planning session later in July to update our long range plan. We really want to hear from you and this is your chance to guide our planning and priorities for the next few years.

Our conversations with the Hat Island Board have continued with a meeting this past month. We had a very productive discussion and are moving forward optimistically. One element of our discussion centered on our overall relationship and interaction during club cruises and individual visits to the Island. Each of us can take small steps to improve our overall experience and relationship with Hat Island. Little things like making reservations, paying for our electricity and keeping marina fairways open for passage will reinforce our commitment to a solid relationship and demonstrate we are moving forward. I appreciate your help in strengthening our ties with the community.

I want to specifically thank **Ray Underwood** for his contributions to the board. Ray has unfortunately stepped down from his position as Trustee due to conflicts at work. The entire Board appreciates his sacrifice and fully understands and supports this decision. Consequently, **Bob Josephson** will be joining the Board effective July as the first alternate. Welcome Bob.

Don't let the summer slip buy – get out and enjoy the summer fun on the water! Take Care and Hope to See You Soon.

Rear Commodore's Report

Paula Spina

June was a cold, rainy month. But that didn't keep our members down socially. We started off the month with our first ever "game night" on June 6. The turn out wasn't as large as for our April impromptu dance, but what a great time was had. We played card games ("No Peek Poker," and my own insane version of "Crazy Eights"); a dice game ("10,000"); Backgammon; a word game ("Boggle"); and **Jack Excel's** "The Captains Mistress." We never did manage to get to "Monopoly." It was like being a kid again stuck indoors on a rainy day but with friends over. What a zoo! Everyone had a blast, not that there weren't some minor squabbles over rules mind you. What else would you expect? The food wasn't half bad either, but way too much of it. You don't want to miss game night the next time we do it. It will bring back such sweet (bittersweet?) memories.

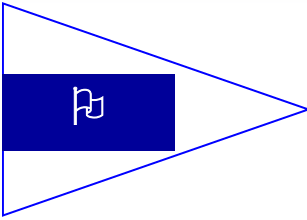

Also, don't forget that we will be celebrating the 4th of July on the dock again. It's one of the best places on the lake to watch the fireworks. The company is great, and, if the sun is out, picnicking on the club dock is a fabulous way to spend the day. Of course, this is a bring-your-own-everything picnic event. We have such a relaxed and fun time that if you know of anyone you've been thinking should be invited out to the Club (i.e. prospective members), this is the time to do it.

Lastly, our next impromptu social will be a barbeque and dance on Saturday, July 19, starting around 5 PM. We'll fire up the club grill, so bring your own meats to grill and bring a potluck dish to share. This will be another "green" event, so bring your own plates, cups, utensils, etc., so that nobody gets stuck cleaning up. Bring your dancing shoes, and don't worry about not being able to walk Sunday morning. You only live once, might as well dance it up.

By the way, I need a DJ for this dance—any volunteers? This is your opportunity to choose what will be played. If you know me I don't often give up control (even when drinking), so all you aspiring spinners out there, don't miss out on this extremely rare opportunity. Call me to volunteer.

That's all she wrote!

Was that summer this past weekend???? What a treat. 4th of July at the club, no host, just come and enjoy. Jerry had 20 boats at Hat Island and all had a great time.

Next up is Vacation Connection at Port Townsend and like last year this is a sellout. July 25-27, you can drive over if you contact Sue Layborn (206-783-9559) and let her know.

My little Andrews Bay raft out is Aug 15-17 (425-503-3374). This is a great way to enjoy the water and your boat. Come by land or sea, we will pick you up ashore.

I also have the honor of heading up the Gig Harbor cruise Labor Day weekend, Aug 29-Sept 1. Make dock reservation at Arabella's Landing (253-851-1793). With help from some of my fellow members we will make this a great weekend. This is a great destination.

Jerry (206-439-9430) and Bob are doing their Husky Cruise Sept 13. Please contact these people if you are coming.

Have a great summer.

JOIN IN THE FUN!!!

Close out the summer with a trip to Gig Harbor and Arabella's Landing and all the traditional fun and games, and relaxing with friends.

We're looking for volunteers to organize a meal, or sponsor a game. Donna & Gary, Paula & Lance and Chris are all pitching in. Come join the gang!

We have 15 slips reserved but you'll need to confirm with the marina so call Arabella's at 253-851-1793 to guarantee your spot.
