Commodore's Report - Bill Dils

The end of 2011 is coming faster than a freight train and there are still a lot of great things on the way for our club and members. Read the calendar and flyers later in the Sound Waves to be kept up to date.

At the October dinner meeting we held elections for the 2012 Bridge and Board. The winners are:

- Commodore: [Peggy Allen](#)
- Vice Commodore: [David Morton](#)
- Rear Commodore: [Mike Thompson](#)
- Fleet Captain: [Marcia Ellingson](#)

- Treasurer: [Robert Murphy](#)
- Secretary: [Nancy Morton](#)

Trustees:

- [Joe Ornelas](#)
- [Gary Sheneman](#)
- [Sharon Moore](#)
- [Judy Townsend](#)

First Alternate:

- [Mark Adams](#)

Second Alternate:

- [Bradley Byrd](#)

Congratulations to you all and may your leadership and visions bring only the best for PSYC in 2012.

The Awards Banquet will be a week earlier than the regular dinner meetings; it

will be Wednesday December 14th. The dinner will be \$30.00 per person. Be sure to sign up at the November dinner meeting so we can give the caterer an accurate head count.

The club is within the 2011 budget and looks good through the end of the year. The board will soon start work on the 2012 PSYC Budget and will bring it to the members in January for approval.

I hope to see you all at the Commodore's Ball Saturday.

Safe boating to you all and may the sun shine on you always!

Fleet Captain Report - Mike Thompson

[Bill](#) & [Peggy Allen](#) along with [Robert](#) & [Mich Murphy](#) were cruise captains to Poulsbo for the pool and dart tournament. The weather over on Friday was blowing! A lot of people have a story about the crossing over from the east side of the sound. The breakfast burritos were great and the pulled pork sandwiches for dinner was awesome. [Patrick Kolanda](#)

won the pool tournament and [Lee Adams](#) won the Dart Tournament.

The Special peoples cruise is coming up on December 4 so please come and help out. If you would like to bring your boat over please contact [Chris Kullmann](#).

The 2012 Cruise-Social planning Meeting is coming

up on November 29 at the club. Meet time is 6:00 and we will have pizzas and beverages. This is your time to get your favorite cruises on the calendar for next year! Please contact me if you can't make it and want to get your cruise or social events on the calendar. Let fill up the year and see if we can't make 2012 even better than last year!

Vice Commodore's Report - Peggy Allen

First I would like to thank you all for your support and confidence in me over the past two years. I am honored to be elected as your 2012 PSYC Commodore. Congratulations to the incoming board and bridge. There are challenges ahead and rewards. With the strength of the PSYC members we will have a great year.

There are many opportunities open for committee chair positions for next year. There are a few that need to be filled immediately. If you are interested in any of the following please let me know, Galley Chair, Sound Waves Editor, and Roster

Chair. These are important roles that provide services that keep the club connected. Please contact me if you have questions about what is involved in each role.

What a great turn out we had for the October 1, Fall Work Party. There is too much to say here so look in this edition for a tribute to all of you who dedicated a beautiful Saturday to improving the club house. The Poulsbo Pool and Dart Cruise was well attended and by all accounts it was a great success. Special thanks to [Doris and Ez Robinson](#) for their tireless efforts. Special thanks too to

[Robert and Mich Murphy](#) who also worked very hard to make this cruise a success. And a very special thanks to [Joyce Carlson](#) for her guidance and help with the Pool and Dart Tournament. Without her we would have been beyond floundering.

The Commodore's Ball is November 5 and may have come and gone by the time you read this. A full report will be in the December Sound Waves. Have a great month and Thanksgiving holiday (can you believe how close that is). Be safe and well.

Rear Commodore's Report - David Morton

Looking out my window at the rain, it is clear that fall is here. While summers are a hectic time around our boats, fall is an exciting time here at the Club.

We've already kicked things off with the Wine Tour, Duck Friday, Fall Work party and the elections. Before we get too far, I want to thank Judy and [Bob Quick](#) for leading another fantastic wine tour. This year 28 intrepid travelers braved the Tri-Cities and Walla Walla searching for some vino terapia (Italian for wine therapy).

I also want to send a heart felt thank you to all for the kind words and support from everyone this past year

as your Rear Commodore. I've worked hard to bring fun, adventure and camaraderie to our Club. As with any group, we occasionally have differences of opinion that can sometimes turn heated. In the end, we are a voluntary social club filled with individuals who have come together with some shared passions. I have yet to find anyone involved with the Club who doesn't have the Club's best interests at heart.

As we move forward, we face some major decisions and opportunities that will help shape the future of our Club. I am very pleased to be working with and supporting [Peggy](#), our incoming

Commodore over the coming year. Also welcome to [Mike](#) as Vice, [Marcia](#) as Fleet and [Robert](#) as Treasurer to the bridge. With the newly elected members, next year's board represents a broad set of perspectives. So it is with this that I offer another thank you for your support and trust in electing me as your Vice Commodore.

Ok, now on to the fun... You all know that the Commodore's Ball is on Saturday. The Ball is always a fun time and this year we will be honoring and thanking Bill Dils for his hard work and dedication. I look forward to seeing you there and showing off my new, vintage tux!

Rear Commodore's Report - David Morton

Looking out my window at the rain, it is clear that fall is here.

Next up is the PSYC 5th Annual PSYC Whirly ball tournament. If you haven't played Whirly ball before, you have GOT to try it. Imagine running around in bumper cars as you try to throw a whiffle ball into the basket at the end of a court. All while the other team is bumping, taunting and otherwise trying to distract you from your mission. While it is hard to describe, it is a LOT OF FUN and it all starts on Sun Nov 20th. See the flyer in this issue for more information or drop me or [Nancy](mailto:nancym@mortonmanor.com) a note (nancym@mortonmanor.com).

This month also sees a renewed partnership with the Seattle Sail and Power Squadron (USPS). If you aren't familiar with the Power Squadron, they are an origination dedicated to boater education and safety. Their offerings include boating classes, free seminars and vessel safety

checks. Their mission is very complementary to ours and I am pleased that PSYC is able to host their popular Seamanship class this fall. This class picks up where the New Boater Class leaves off. Bill Ray will be teaching the class that covers topics ranging from close quarter maneuvering, to anchoring and handling emergencies. The Seamanship class is one of their advanced courses and is generally available only to members of the Seattle Sail and Power Squadron. In appreciation for providing the venue PSYC members may audit the class for free on a space available basis. Auditing the class is just like auditing a college course, you can attend but you will not be tested or receive credit for the class.

Please let me know if you plan to attend or audit this class so that I can give USPS a count.

The Sail and Power Squadron is also offering free seminars on PNW weather forecasting (Oct 26) and

using marine radar (Nov 9). If you are interested in these or any of boater education classes I recommend that you take a look at their web site: <http://www.usps.org/seattle/>

Next up, the PSYC Food Drive - Each year PSYC members generously donate non-perishable food items to those who are less fortunate. This year we will be accepting donations at the October, November and December general meetings. We all know times are tough this year, so I am encouraging you all to bring a donation to each of the three meetings. Like in years past, our donations will be going to Food Lifeline (www.foodlifeline.org). If you would like to make a monetary donation, please make your check payable to Food Lifeline and give it to a member of the Bridge. Thank you.

I'll close with a note that I have hip surgery scheduled for November 8 and will likely miss the next general meeting.
