

## Commodore's Report – Mike Thompson

Hello Friends!

As I sit here and write this article listening to the last of the Sea Hawks game, I come to realize that summer is almost over. I hope you all had a great summer of cruising. I know I did! I didn't get out as much as I wanted to but I made it to couple of the cruises.

I want to thank all of the PSYC members who have asked about, and sent flowers, and prayed for Kathleen. She has had a bad summer but she is a fighter and is doing well now. She does get tired a lot but she tries to power through it. In fact we are going out with the RV this weekend for her first time this year, and we will even meet up with a former PSYC commodore.

My time is almost up as Commodore which means we need some new bridge and board

members to fill some positions. This club is not easy to run sometimes but you get so much back from other members and if you ask for help you will always get it. I have had a easy year so far and I want to end it that way too. If you know somebody who would be good for the one of the positions please contact me or David. We need a Rear Commodore, Fleet Captain, Secretary, Sound Wave Editor, and Trustee's. Please consider volunteering because our club depends on our members to keep it going!

We have the Fall Work Party coming up and the Husky Cruise, so even though summer is gone we still have a lot going on. See you at the September meeting.

## Rear Commodore's Report – Tim Dies

We have had a great summer for enjoying the Puget Sound and our fellow boaters. We recently attended the Chris Craft Rendezvous in Port Orchard, from July 9th through 13th. We had 93 boats attend, some were PSYC members and we had an epic time for our 25th anniversary.

Dock Friday this month had 14 members attending for burgers and dogs on the dock, knowing that a lot of

you are out cruising and enjoying the waters up north. Next month is our Duck Friday on October 3rd, please let me know if you can attend so we can plan for food and Ducks! Remember that we have a great facility with a big screen TV upstairs and if you want to schedule a social event at the club, let me or Pat know so we can put it on the calendar.

Tim

## Fleet Captain Report – Marcia Ellingson

This summer has brought us fantastic weather and I hope you all took advantage of it and enjoyed some fun times on the water. I can report the Port Orchard cruise was a BIG success! Your cruise team did a fantastic job of taking us to Emerald Downs without even leaving the dock. The food, entertainment, and charming little town made for a great 3-day weekend. It was so much fun nobody seemed to mind the rain! Thank you Garry & Sharon, Kevin & Kim, Rich & Echo, and Rich & Susan Visintainer, you did a terrific job. The Visintainer's are relatively new members and jumped right in to the cruise crew. Way to go and get to know your fellow members!

Going into September, we have two great cruising opportunities ahead of us. The Husky Cruise is scheduled for September 12<sup>th</sup> & 13<sup>th</sup>. You don't have to have Husky tickets to enjoy some fun with your fellow members. Let Jerry & Colleen Zitkovich know if you want to participate. Later in the month you have the opportunity for another fun weekend at Eagle Harbor. Join Patrick Kolanda and Pat Hansen on September 26<sup>th</sup> & 27<sup>th</sup>. Contact Pat or Patrick to sign up for that one. Take advantage of these scheduled cruises. Getting together are always "good times."

~Marcia
