

## Commodore's Report – Garry Moore

### Dock Extension:

Now that we have approval for our dock extension, the next step is to start the process to construct the dock. Along with the dock extension we will also be upgrading the electrical service on the dock. We are getting preliminary cost estimates to help with the first step in financing. We will be submitting financing plans to the membership for approval. We also need to apply for the building permit. As a part of the financing we will need to show commitments from members that want to have moorage on the dock. Please get back to me if you want moorage on the dock and are not currently on the waiting list for moorage.

### Opening Day:

I want to thank everyone involved in a great Opening Day weekend. It started with a Dock Friday that set a new standard for the event. The weather also cooperated for a great weekend. The dinner/dance Saturday was a great finale to the weekend with a great band for dancing with entertainment by Gary Sheneman. Seabacs Yacht Club attended again this year. Their Commodore, Patrick Forbes, even helped repair the plumbing in the restrooms. Again thanks to Robert and Mich, Bill and Peggy, Ez and Doris, Tim and BryAnna, Dave and Nancy, Paul and Trina, Mike and Lisa, and Maddog.

### Door Mats:

We had door mats made for club members with the Club name and logo. Members could also add their boat name. The door mats were delivered to the May meeting by Gary Fagin from Rogue Wave Embroidery. Gary talked to the Club about his company and the type of products he can have embroidered. Everyone was very pleased with the mats. We have some extra mats without boat names if you are interested.

The prices including sales tax are:

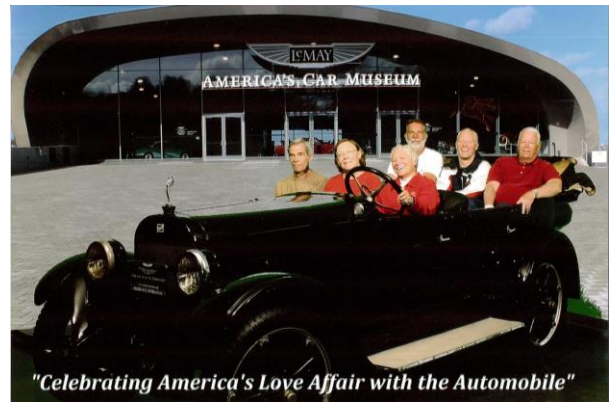

18" x 24"	22" x 30"
\$19.57 without boat name	\$25.00 w/o boat name
\$30.44 with boat name	\$35.87 w/boat name

If you want to get a mat with your boat name let me know and I can order them or you can contact Gary directly.

**Memorial Day Cruise 2015** – Sharon, Watch out for those back seat drivers!

## Vice Commodore's Report – Tim Dies

It has been a very busy spring at the club. The weather cooperated for an outstanding Opening Day and PSYC was represented well. I want to thank Mike & Lisa Haistings for providing the Officer's boat and Bill Traver for entering the parade as well. We finally have a new toilet in the ladies room, but my non-toilet-install skills had to be rescued by Garry to replace a gasket.

Also want to thank Pat Hansen for installing the new LED bulbs in the overhead fixtures that were donated by a Waters Edge member.

The board will be revising the Moorage Agreement and then we will be asking for updated damage deposits and insurance information from our mooring members. With the dock extension approaching, please let Pat Hansen know if you want to be added to the list. We have a prime view of the lake now and it will only get better in the future. Also remember to look at the Rental Calendar on the website and book the club for any family or business event. It benefits all of us to have the income from the rentals.

## Rear Commodore's Report – Paul Smith

Hello all,

As I reflect back on the fun and festivities of Opening Day, I can't help but feel proud and grateful to belong to a club that really knows how to celebrate one of the most prestigious boating events of the year in style.

I want to send out a thank you to all that volunteered and a special thank you to Mike and Lisa Haistings for providing the Officers boat.

As always, June will be a fun month at the club. We will kick things off with our second Dock Friday, June 5th. Rich, Echo, Kevin & Kim and company

will take things to the next level with the annual Cigar and Rye event on June 13<sup>th</sup>. Please see the flyer for details and RSVP to them as soon as possible. They are still confirming the Barbeque Cooking Class and will send info as they know.

Lastly we will have a special guest speaker at our June meeting, Virginia Curulla representing the Lata family. The "Lata" family once owned the P.S.Y.C building through several decades prior to the Puget Sound Outboard Association. It will be great to hear the history behind our treasured home.

## Fleet Captain's Report – Robert Murphy

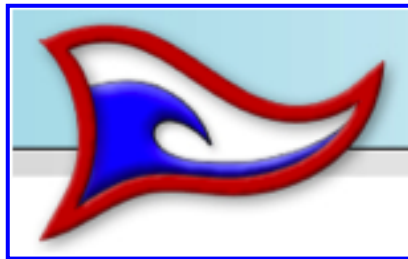

May has come and gone by the time Sound Waves is published. For a start to summer, though, it has been fantastic. Our Memorial Day cruise down to Tacoma was a huge success. We maxed out our available moorage with 16 boats attending. Though the sun was not as strong as originally hoped for, the weather was good by any measure.

Our cruise captains, the Robinsons and Allens, put on a fantastic spread for us over the weekend. On Saturday of the cruise most members headed out to the Lemay Car Museum which was a hoot and a good excuse to stretch the legs. Thanks to everyone who pitched in and helped during the cruise.

Coming up June 26<sup>th</sup> -28<sup>th</sup> is our Anacortes Cruise. If you have not already signed up for the cruise and are interested please contact Lisa Haistings. Expect to hear more on this cruise at our general meeting in June.

We will be having an informal get together over July 4th at Roche Harbor for those who wish to join.

### Happy Summer Cruising!
