

Commodore's Report – Garry Moore

Elections: The election for next year's Board will be held at our October 21st Regular Meeting. This year will include the election of the Commodore, Vice Commodore, Rear Commodore, Fleet Captain, and four Trustees plus two alternates. The Secretary and Treasurer are elected for a two-year term which occurred last year and will continue for the coming year. The following Club Members have indicated their desire to run for the respective positions:

Commodore	Tim Dies
Vice Commodore	Paul Smith
Rear Commodore	Bob Josephson
Fleet Captain	Robert Murphy
Treasurer	Colleen Zitkovich

Secretary – Janet Josephson
(Completing a 2nd term)

Trustees: Mike "Maddog" Thompson
Rich Visintainer
Jerry Zitkovich
Rick Josephson

We need to have additional members interested in running for Trustees. We typically select two alternates to replace Trustees that do not complete their two-year terms. This has been common in past years when Trustees run for the Bridge during their second year.

The vitality of our Club depends upon the active involvement of our members in a strong Board to lead the Club. I encourage you to participate in the leadership of the Club. Please get in touch with me if you are interested in a position on the Board.

By-law Change: As more and more of our members spend their summers on the water it has become more difficult to have a quorum (20% of the total eligible voting members) for our Board meetings in July. We have had to cancel the July Board Meeting for the last two years. The Regular Meetings in July have also been very lightly attended. The Board has approved a change in our by-laws to eliminate the July Board Meeting and the Regular Meeting in July. The By-laws require a formal notice to the Membership at least 10 days prior to the Regular Meeting preceding the next Regular Meeting at which a vote of the membership is held. The By-laws may be amended by a two-thirds vote of the members representing a quorum being present at the Regular Meeting. The proposed by-law change to be voted on at the November Regular Meeting shall be as follows:

ARTICLE VI
Section 2.00 Regular Meetings
*A Regular meeting for the purpose of conducting Club business and entertainment of the membership shall be held on the third (3rd) Wednesday of each month, (except **July and August**).*

Vice Commodore's Report – Tim Dies

Thank you all that came down for our Fall Work Party, we were small in force but accomplished our tasks. Shrubs were pruned; building repairs were done and we also put down new gravel along the building and the parking lot. Yeah us!

Our next event is the Halloween Party on Oct 30th. BryAnna and I will be hosting along with Paul and Trina. Please RSVP to Tdeadman@yahoo.com so we can get you on the list. Remember to look at the calendar

and call Pat Hansen to book your next event at the club. We have a great facility and our members need to use it more!

Also remember that the dock expansion project is coming and if you want to be on the wait list for moorage give Pat a call and get your deposit in. Keep enjoying our great weather and hope to see you out on the water.

Rear Commodore's Report – Paul Smith

As I am writing this, I am doing so with a heavy heart given the recent tragedy involving our dear friends that operate the Ride the Ducks tours. I would like to send out a very special thank you to **Pat Hansen** for conveying our positive thoughts and prayers on behalf of P.S.Y.C to Mr. Tracey, his family and employees.

On a more positive note, I hope you all had a wonderful summer and enjoyed your time out on the water; the weather and calm seas opportunities seemed *endless*. From a Social standpoint, we tentatively have the Halloween Party scheduled Friday, October 30th; we could use some volunteers for decoration, etc. - more details to come as we get closer.

Ben Crowell, the L.C.D.R of the Coast Guard is scheduled to come to our next meeting to give a presentation on safety and vessel preparedness. As you know, these visits are a great opportunity to ask questions around how the USCG serves the boating community, as well as making sure that you are in compliance should you be boarded the next time you are on the water.

Please join us at the October dinner for this valuable presentation.

Fleet Captain's Report – Robert Murphy

The Labor Day weekend cruise in Port Orchard was a great success. There were 35 people and 13 boats. Add in the contest and games and it made for an exciting cruise for all! I wanted to thank the Moore's and Tremaglio's as cruise captains.

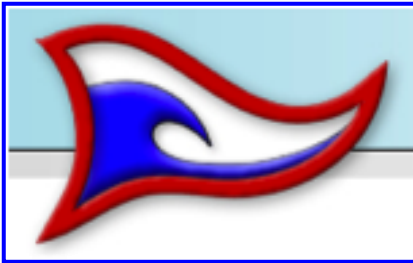

Our next cruise will be October 9th -11th in Poulsbo. We will be having our annual pool and dart tournament. We have heard that our local bar will have a second dart machine and a re-felted pool table. So expect a great time. We still have lots of

space available so please contact either Gary or I if you are interested.

If you plan on driving over for the tournament and will stay for dinner, please let us know as well so that we can plan for food.

The Pool and Dart Tournament will start at 1:00 at the Portside Pub.
