

Commodore's Report – Garry Moore

Summer Cruises: I hope everyone had the opportunity to enjoy the great weather we had this summer boating on the Puget Sound and further north. Sharon and I were able to participate in the Vacation Connection Cruise at Anacortes at the end of June with a continuation onto Roche Harbor where we had 14 PYSC boats either at the dock or anchored out to enjoy the Fourth. We had some engine problems coming to Anacortes, but with the help of Club members, Paul Devlin, Bob Josephson and Jerry Zitkovich we prevented what could have been an expensive service call.

We still have more fun cruises this fall, so please take advantage of our continuing good weather enjoy the hospitality of our cruises to Port Orchard and Poulsbo.

Hat Island Agreement: The Agreement with Hat Island is finally complete. The Agreement has been signed by Hat Island and PSYC and the easement has been recorded. We have paid Hat Island the moorage fees we have agreed upon for 2013 and 2014. This has been a long and exhausting negotiation for both parties that resolves disputes dating back to

1991. I want to specifically thank David Morton and the leadership at Hat Island for their hard work putting together this agreement that provides a long term arrangement for our continued use of the slips at the Hat Island Marina. Please take the opportunity to visit Hat Island and enjoy the moorage and facilities available to us. I expect this to be a long and friendly relationship with the Hat Island community.

Dock Extension: A portion of the dock extension will be constructed in DNR property. We have approval from DNR for our extension, but the extension requires the Club to lease property from DNR. The individual I have been working with at DNR is involved in the fires in eastern Washington and does not expect to get us the paperwork for the lease until sometime in September.

Vice Commodore's Report – Tim Dies

Please put the annual Fall Work Party on your calendars for Saturday, September 26th.

If you have tools/supplies that you can bring, please let Tim and Garry know so that they can plan repairs.

Rear Commodore's Report – Paul Smith

Welcome back from summer boating. This is just a reminder to please RSVP for our monthly dinner meetings so that Chris and the dinner crew know how many to shop for. The link is on our website home page.

Fleet Captain's Report – Robert Murphy

What a great cruising month in August. We had one of the longest stretches of hot weather I can remember. We capped it off with one heck of an outing for our Andrews Bay Cruise. Hat's off to Chris and team for putting together another great cruise. There were twelve boats attending and a great blend of warm water, warm weather and hot food.

Coming up in September is our Port Orchard Cruise on September 5th-7th. The Tremaglio's and the Moore's will be hosting the cruise coming up. The forecast is now showing at least two days of sun. Let's keep our fingers crossed that we get

a great weekend all the way through. We have a Southern broil planned with a movie on the dock. Lastly will be the races on Sunday. Please contact Garry Moore for reservations.

October will be the Poulsbo Pool and Dart Tournament on October 10th - 11th. Always a great time to be had at our annual event. Please reach out to Garry and myself for those planning to attend.

Safe boating.

Labor Day Cruise

Port Orchard Marina
