

## Acting Commodore's Report – Garry Moore

### **Dock Extension:**

I hope most of you had a chance to attend the September General Meeting and see the presentation for the dock extension and the explanation of the financing. We had good feedback from the members and hopefully answered everyone's questions. We will have some time for questions at the October meeting if you did not have an opportunity at the September meeting, but I would like to keep the discussion to a minimum.

I will be e-mailing a copy of the presentation to the membership and mailing a copy to those who do not have e-mail. Per the requirements of the by-laws this mailing will be the official notice required for the vote that will be held at the October General Meeting. The last page of the document includes the exact wording of the vote that will be taken.

### **Elections:**

The elections for the 2017 Bridge and Board will be held at the October General Meeting. As you can see we still need someone to run for Fleet Captain and Rear Commodore. The following members are running for the respective positions:

Commodore:	Bob Josephson
Vice Commodore:	Robert Murphy
Rear Commodore:	
Fleet Captain:	
Secretary:	Joyce Carlson

Trustees:	Lindell Graham
	Pat Hansen
	Laura Klein
	Micheline Murphy
	Bill Traver

The official ballot will be emailed/mailed within the next week for those of you who cannot make it to the October General Meeting on October 19<sup>th</sup>.

There is still a lot left to do. So put the Spring Work Party on your schedule as soon as it is set in the calendar for next year.

## Rear Commodore's Report – Submitted by Bob Josephson

We have had a great summer and are now looking forward to the fall. Dock Fridays are over, but the club is available for additional activities. The scheduled Halloween party has been cancelled as those that were going to organize it are unable to do so. However, if anyone is interested in heading up a committee to organize this fun event, please let me know.

The next major event is the Commodores Ball on November 5<sup>th</sup> at the Sand Point Country Club. There will be additional information and sign up at the October general meeting. However, please mark this on your calendar and plan to attend this celebration of our club. There will be a cocktail/social hour beginning at 5pm with dinner to follow. This is a fun event and provides the opportunity to talk about fun times this summer and start planning for next summer.

## Fleet Captain's Report – Robert Murphy

Howdy members!

September we had a great cruise to Port Orchard. We dialed in some decent weather for the weekend. Our highlight for those who were not able to attend was our Hawaiian theme night with Trivia contest. I am happy to report that PSYC members killed it on the cocktail category but, had room for improvement on marine navigation. The next night Captain Ron smoked several pig roasts all day long. It was glorious.

A big thanks to our cruise captains Robinsons, Allens, and Murphy's. Numerous others pitched in to make it a great cruise.

Coming up on October 14<sup>th</sup> -16<sup>th</sup> is our annual cruise to Poulsbo. Please be aware the fuel dock is closed and may not be open for our cruise. We are looking forward to our Pool and Dart Tournament. Rumor is we have a larger area for this year. Please see the attached flyer.

Please put the Cruise Planning Meeting (November 2<sup>nd</sup>) on your calendars. Come help us think of new destinations for our club to travel for the next year.
