

Commodore's Report – Garry Moore

As I am sure you all know by now, Tim Dies has had to step down as Commodore because of health reasons. The Board has asked me to be the Acting Commodore for the remainder of the 2016 year. We all wish Tim the best.

Summer Cruises: I hope you all had a chance to enjoy the summer on your boat. Sharon and I were able to join 16 other boats at Roche Harbor over the 4th. Although this was not an official PSYC Cruise it is getting to be a great annual event for members who either are able to get on the dock or raft out in the Bay. We also joined 12 other boats at Chemainus on Vancouver Island for their dinner theater. The facility, dinner, and play were all excellent. We look forward to attending the event again in the future. Many of our members were fortunate enough to spend most of the summer cruising further north into Canada.

Dock Extension: We have all of our approvals for the dock extension and are currently in the process of applying for a building permit with the City of Seattle. We will be asking for the membership's approval to allocate the funds to

proceed with the construction at the September General Meeting. We have several members who have offered to invest in the project that will cover more than half of the cost of the extension. We will provide details on financing the work and answer all of your questions at the September meeting.

Elections: The election for the 2017 year will be held at the October General Meeting. The strength of our Club is the involvement of our members in the leadership of the Club. Please start considering running for a position on the Board. New members should not be hesitant in running for office just because you are new. Being part of the Board is the best way to understand how the Club operates and add your voice to the success of the Club's future.

Commodore's Ball: The Commodore's Ball will be held again this year at the Sandpoint Country Club on Saturday November 5th. It is one of the highlights of the year for our Club with great food and dancing. Please put it on your calendar.

Garry Moore, Acting Commodore

Vice Commodore's Report – Bob Josephson

The clubhouse has only needed a few repairs during the summer. Thanks to Kal Harris for fixing the sprinkler hose bib and Jerry Zitkovich for tightening up the stairs a bit. We will be addressing the issue of the back staircase at the fall work party. I was also able to repair the water fountain and the shower off of the galley.

The fall work party is scheduled for Saturday, September 24th beginning at 9am.

We will need help with the following items:

Yard work
 Replacing rear staircase and railing
 Replacing bull rails
 Washing windows
 General clean up

Doughnuts, snacks, beverages and lunch will be served.

Please come help. The more hands we have, the less time it will take.

Rear Commodore's Report – Vacancy

Cindy and I had a great summer out and about and hope all of the members did too! Our July Dock Friday was cancelled due to a lack of attendees, but there were several that came to the club and enjoyed the 4th of July festivities and fireworks. The August Dock Friday was hosted by Doug and Gill Irish as we were out of town. Thanks to you both for helping out.

The September Dock Friday will be held on September 9th instead of Labor Day weekend. We will have burgers and dogs. Barbeques will fire up at 5:30ish.

BYOB. We look forward to seeing many of you there.

GALLEY CHAIR

A reminder from the galley chairs – Please make your reservation on the club web site for each General Meeting dinner. Preferably, the reservation would be made at least a week in advance in order to give the galley crew enough time to prepare. PLEASE make sure to include your name and the number of people.

Thank you,

Report submitted by Bob Josephson

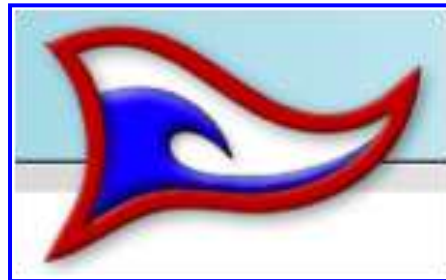

Fleet Captain's Report – Robert Murphy

Our Andrews Bay cruise this year delivered sunny and hot weather. I mean super hot 90+ degrees. Good thing folks could take a quick dip to cool off! A big thanks to Chris Kullmann and the Smiths for hosting a great weekend for all.

Labor Day is coming this weekend and that means a cruise to Port Orchard! This year we are planning a trivia contest, a Hawaiian pig roast, and the last of the summer weather.

We have almost filled our slip allotments, but contact me if you are interested in attending by boat or car!

Safe Boating everyone and enjoy the last of summer.
