

Commodore's Report – Bob Josephson

March was a fun month for the club with lots of activities. Several members enjoyed our Lobster Fest, the Wine Social, and our modified Poker Run (held at the club due to the weather). We also had a great turnout for the March general meeting with Mary serving up her delicious corned beef!

Moving on, let's hope April brings us some sunshine and better cruising weather. Since January, the club has hosted several potential new members at the general meeting dinners. We have initiated Katie Jeppesen, Mobeen & Uzma Butte, and Robert & Adrienne Dahlin. At April's general meeting we will welcome and initiate Craig & Suzanne Cayton, Vince & Lacey Ethier, and Bill & Kelly Crow. PSYC

gives a big welcome to these individuals and we look forward to your participation in club activities and getting to know you.

The dock extension is moving ahead after a long process of approvals and lots of paperwork from the DNR, etc. I am happy to report that construction should begin by April 3rd. See our first picture below.

April brings our cruise to Edmonds on the 21st and our Spring Work Party on the 29th. More info on those activities below from your Rear and Vice Commodores.

I am looking forward to spring and summer cruising and more of the great events that the club has planned. See you at the April General Meeting.

Vice Commodore's Report – Robert Murphy

The time is now. After 1000s of days we are starting dock construction. Over the next few weeks we will get different phases of the dock extension completed. Currently pile driving is slated for the first week of April. Who knows we may even have the decking in place by opening day.

Speaking of Opening Day we have our Spring work party scheduled for Saturday April 29th at 9:00am start. This year I am breaking into

two shifts to accommodate those individuals who may not be able to attend the whole day. I am looking for advanced sign up so we can schedule the appropriate amount of work. Please email me at robert@murphy-manor.com. We traditionally have the same core group who attends our work party. This year I am going to be contacting every member personally. Remember, we are a volunteer organization. This is our club and here's the chance to show pride in it.

Rear Commodore's Report – Bill Traver

It is starting to get busy at our club and spring is in the air. When you read this many of our club's budding artist members, family and friends will have enjoyed a very fun evening on Saturday April 1st enjoying hors d'oeuvres and wine, then painting their masterpieces. Many thanks to Katie Jeppesen for arranging Cork and Canvas to come to the club so we could unleash our creativity. Mike Thompson has a recap in his Fleet Report. And some pictures below.

We will soon be starting construction on our new dock and I would like to have a "Happy New Dock" party when all of the pilings are set. Pilings should start going in around April 3rd. I will send out an email to the members announcing the date and time for the party.

Coming up next as far as Socials are concerned is our Pre-Opening Day Dock Friday on May 5th. Please see the Flyer that is attached with all of the particulars. See you at the parties!

Fleet Captain's Report – Mike Thompson

Wow what a busy month! We did the Poker Run or just played poker due to the weather. I want to thank Chris, Joyce and Katie for all of the help and, yes, Kevin too. And anyone I missed. We had great hors d'oeuvres, including bacon wrapped shrimp, and tasty Lemon Drops. By the time we had dinner we were full but there was lasagna and salad and don't forget the Lemon Drops. It was a lot of fun and next time we hope a few more members show up.

I am still trying to clean the dishes from last night's Corks and Canvas. Katie outdid herself. She made the club house look like a caterer had set it up with the variety of finger foods and salads she made! Katie is a new member and wants to just have fun with our club. I also want to thank a few

other people who helped out, Lindell and her sister, Bill & Peggy Allen and Garry & Sharon Moore for helping to setup as well as the cleanup.

And I can't forget Susan Visintainer for the 24 bottles of wine as it was called Corks and Canvas. I had never done this before but boy was it fun. Everyone had a great time and said they would do it again.

On to cruises. We have the Edmonds Cruise coming up later this month. Please contact Steve Cook, Joyce Carlson or myself if you plan to attend. You don't have to bring your boat to be a part of this cruise. Let us know if you are driving though so we have enough food. I was told they are making me cook breakfast so bring the Pepto. The dates are April 21-23rd.

Membership Report – Pat Hansen

Please join us at the April 19th General Meeting to Initiate 6 New Members.

We met Craig Cayton at the February Meeting and Craig and Suzanne Cayton were at the Lobster Feed. Vince and Lacey Ethier were at the Wine Social along with their adorable baby girl Vivienne who slept through most of it – and Kelly and Bill Crow. Most of us know Kelly and Bill as Kelly is Colleen and Jerry Zitkovich's daughter and of

course we all know Maddie who helps us with the Seafair Holiday Cruise each year.

Our Membership Special is now over – but our Membership Drive always continues. We have a Great Club, as our New Members have discovered, so continue to spread the word.

See you at the Meeting – and Please Don't Forget To Make Your Reservation(s)!

Roster Sponsor Spotlight

CSR Marine

CSR is a full service boat yard, in business since 1977. I (Bob Josephson) encourage you to consider them when needing work on your vessel. They offer collision damage repair, fiberglass repair, gel coat and paint, bottom paint, mechanical/electrical. We just got Perfect Timing back with a beautifully done hull extension under the swim step. They also installed our new 10' Bull Frog dinghy and new davit system. We had them do a re-alignment and straightening of both shafts, plus install new dripless shaft seals. The work was very professional, and competitively priced. They did a fantastic job and are easy to work with. Perfect Timing is now ready for some serious cruising!

Kruger Propeller

Kruger Propeller specializes in the manufacturing, repair, shafting, and sizing of propellers for commercial and pleasure boats including inboards, inboard/outboards, and outboard motors. They are located in a state-of-the-art facility at 4462- 26th Ave. W. inside the Ballard Locks near Fishermen's Terminal. Kruger Propeller has been in business for over 30 years and has advertised in our PSYC Roster for over 10 years.

Jake Richards can be reached at (206) 283-7707 or (800) 762-7767. Tell Jake you're a member of the Puget Sound YC and he'll give you a 15% discount.

Mad Dog Remodeling

Mad Dog Remodeling is owned by our very own PSYC member & Past Commodore Mike Thompson. "Mad Dog" Thompson has over 25 years' experience as a licensed general contractor, specializing in remodeling kitchens, bathrooms, room additions, and complete home remodels. "Mad Dog" primarily works on jobs in Seattle and King County, but has worked on other projects outside of King County.

Mike can be reached at (206) 948-5323.
