

## Commodore's Report – Bob Josephson

We had a great start of the year at our January meeting. Colleen presented our 2017 budget and it was approved by the members. The cruise and social calendars were also discussed and we have a fun year planned.

As I write this, the boat show has begun and will run from January 27 to Feb 4. Our booth is in a great spot and we hope to have a lot of potential new members stop by and talk with us. I want to thank our PSYC members that have given their time to volunteer at the booth. A special thanks to Jerry Z and his crew for getting the booth set up for us.

We are inviting all prospective members to the February general meeting, the Ice Breaker social and the Wine social. I hope that many of you will attend these events and meet these prospective new members. See attached flyers.

Funding is in place for the dock extension and the City of Seattle approved the building permit. We have started ordering materials and our hope is for the dock to be completed by late spring.

Dave Meissner is taking over as Sergeant at Arms and Boiling Pot. Rich Visintainer is stepping in to co-lead the management of our web site with David Morton. Thanks to both of you for taking on these important tasks for the club. A huge thanks to Mark Adams for his service as Sergeant at Arms.

I look forward to a fantastic 2017. I know several you have already started making your summer cruising plans. Cindy and I plan to start our summer season the 4<sup>th</sup> of July at Roche Harbor and probably go as far as the Broughton Islands. Come talk to me if you have an interest in meeting up with us and others at some point.

## Vice Commodore's Report – Robert Murphy

Happy February Everyone,

Vice Commodore here to give you a read out on the state of our facilities. Gary provided good news this week on the dock expansion front. We have a draft of our DNR lease and the city of Seattle approved our building permit. I believe at our general meeting in February we should have a status update on the construction timeline.

January was colder than expected but we made it through without freezing and breaking any of our water pipes. Pat, our dock master, does a great job

keeping an eye on the temperature and we shut down water on the dock for part of a week.

For everything else, all has been quiet on the facilities front. After we complete our Boat Show membership drive in February that should give us a good indication on which facility maintenance projects we will be executing on this calendar year.

Safe boating everyone.

## Rear Commodore's Report – Bill Traver

We have had a great start to the new boating year. Tara Wilson, Lake Union Land Manager of the Department of Natural Resources, spoke to us at the last meeting. She is, and will be, working with us as we proceed with the dock. She also introduced Jordan Warneck from DNR who will also be working with us.

We had many PSYC members volunteering their time at the Boat Show. We hope to get more

new members joining our Boating Family.

Our next Social will be the Ice Breaker Brunch on Sunday February 26th at 10:30 at Chinooks at Fisherman's Terminal. Come and enjoy other PSYC members and get to know some of the new members as well. You can come by dingy - boat - or car. See attached flyer.

That's all I have for now. Safe boating.

## Fleet Captain's Report – Mike Thompson

Hello Members

I want to thank Joyce for talking me into being Fleet Captain, or pushing me into it, Ha Ha! No, I am happy to do it and we have a great Bridge this year which is even more fun. Katie and I just did the Boat Show booth and I can't wait to see how many new members we get. Yes, I said Katie, as she joined the club at the last meeting.

I want to thank Joyce for helping me with the cruises. I bounce things off of her as she has nothing to do during the day, being retired and

all... I think we have a lot of fun cruises going on this year. See the attached flyer for the final list.

Our first cruise is the Poker Run on March 18th. We need a few more boats out around Lake Union as picket boats for members to tie up too. Please contact me if you would like to be one. This is a fun event and you get to get your boat wet or just yourself, if you fall in. Please look over the cruises and go to them all.

## Membership Report – Pat Hansen

The Boat Show is in full swing and we have been getting a really good response. Our booth again looks great thanks to Garry, Jerry, and Rick. I will be contacting those who filled out our "Interest" cards and invite them to our February or March dinner meeting for a Meet and Greet. Hopefully we will soon have more new members joining our "Family".

Please plan to come to our February Dinner

Meeting on the 15<sup>th</sup> to meet our potential New Members and Welcome Mobeen and Uzma Butte who will be initiated. Many of you met them at our January meeting and they are delightful. Also at our January meeting we (or rather Mad Dog) initiated Katie Jeppesen. We are off to a good start membership wise.

See you at the Meeting.

## COMPLETED CRUISE SCHEDULE—2017

**The 2017 Cruise Schedule is now complete! Please review as some dates were changed to meet other scheduling needs.**

Looking forward to a successful cruising year. If anyone would like to work on a cruise please let me know as Co-Captains are always needed.

Thank you.
