

## Commodore's Report – Bob Josephson

I am looking forward to serving as your Commodore for 2017. We have great cruises and socials planned and it should be a fun year. 2016 was a great year for the club and we anticipate 2017 to be even better. Hopefully, the boat show in late January will bring us even more new members.

The boat show is January 27 to Feb 4. Janet Josephson has the signup sheet for members to work our booth. Volunteers will receive free admission to the show.

Planning for 2017 is moving ahead with a great cruising calendar and social calendar. Funding is in place for the dock extension and we still are waiting for the city to provide the building permit. Now that we are into the new year we expect this to happen soon and we can begin work.

The club depends on volunteers to manage several appointed positions and I would like to acknowledge and thank the following for their efforts and help.

As of this writing we still need to fill Boiling Pot, Facilities Committee Chair, and Sergeant Arms. In addition, Dave Morton has done a fantastic job of managing our website, but would really be appreciative of someone else taking on some or all of this task.

Please do plan to attend the General Meeting on January 18<sup>th</sup>. The Board will present the 2017 budget for the club's approval and your input is valuable. Also, don't forget to sign up for dinner by going to the website and entering your reservation.

I look forward to a fantastic 2017!

## Vice Commodore's Report – Robert Murphy

Happy Holidays PSYC!

As we end 2016 I want to send a thank you to our outgoing board and bridge. With the start of the new year, it looks to be an exciting one from the Vice Commodore position.

As you know we are in the final permit stage on our dock expansion and this will be a landmark facilities project for the club. I expect to have further updates at our general meeting. Hopefully we can get everything kicked off this winter.

We do have the boat show coming up shortly and there are still spots left to fill by club members. I would ask that those members that have joined in the last year or two grab a spot. If anyone can speak to the reasons of joining PSYC it's our newest members. Janet Josephson sent out a sign up email with info to everyone on 12/4.

Let's get everyone pitching in in 2017 at our socials and cruises to make it a year to remember.

## Rear Commodore's Report – Bill Traver

Happy New Year.

As the New Year Begins I look forward to being your Rear Commodore for 2017.

There are several Socials planned and the first is our Ice Breaker Brunch at Chinooks in February. Flyers will be available at the January general meeting.

I am planning to bring in Speakers to our meetings, including someone from DNR to talk about their role in our Dock expansion. This is your club and your suggestions would be most welcomed. See you at the meeting. Let's have a lot of fun this year.

## Fleet Captain's Report – Mike Thompson

No Report Submitted. See Cruise Planning Flyer Below.

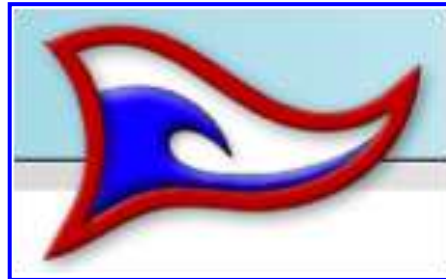

## Membership Report – Pat Hansen

Happy New Year! 2017 is here and it is also a New Year for PSYC. Our first General Meeting of the year is on January 18<sup>th</sup>. Please plan to attend as we will be inducting Katie Jeppesen as our first new PSYC member of 2017. Actually to follow last year's tradition – Mike Thompson will be inducting Katie as he is her sponsor.

I will also be introducing two new prospective members – Uzma and Mobeen Butte. We received their online membership application just before the New Year. I spoke with Uzma and she is delightful. They have a 36'

powerboat and moor at Yarrow Bay Marina. I told her about the cruises, the socials, the meetings, and invited them to our dinner and social hour. She said they love social hours so Neil – make us proud! I know we all will make them feel very welcome.

We are off to a good start for 2017. If you haven't already signed up to work the PSYC booth at the Boat Show – January 27<sup>th</sup> thru January 31<sup>st</sup> – you can do so online. I promise you a really good time.
