

Commodore's Report – Bob Josephson

April was a great month for the club with lots of activities. Members enjoyed the Edmonds cruise and the Cork and the Canvas get together. We had a great turnout for the April general meeting with Doris and Ez and Bill and Peggy serving up great sloppy Joe's and desert. Moving on, let's hope May brings us some sunshine and better cruising weather.

We continue to welcome new members with Craig & Suzanne Cayton, Vince & Lacey Ethier, and Bill & Kelly Crow being initiated. PSYC gives a big welcome to these individuals and we look forward to your participation in club activities and getting to know you.

The dock extension is finally a reality with the pilings being installed well ahead of the fish window that closes all work in the water. Once the beams are ready they will be back to install the deck. The electrician has started his installation that will upgrade the wiring for the entire club and give us 50 amp power for about half the slips. We have some great pictures below.

Our Spring Work Party was this past weekend. A lot of members turned out to get the club ready for Opening Day and for more summer use.

I am looking forward to spring and summer cruising and more of the great events that the club has planned. See you at the May General Meeting.

Our Dock Being Constructed

A View of the Pilings

Vice Commodore's Report – Robert Murphy

Progress on the dock extension continues. The pilings are in and the construction has started on the decks. Waterfront is building out decking into two large sections which will be barged out to us and installed using a crane. The electrical is moving along and you may notice our new massive panel for the dock. We are on the home stretch!

April is always the big work part of the year. This year it was dry, what a plus. We did the usual maintenance on our landscaping and pressure washed everything. The big project was cleaning out the shed. Who knew such a small building could collect so much old junk. The bruisers in the club tackled removing some railroad ties and the remains of the tree stump from last year's work party. That had to go to make room for the new electrical service coming in.

I'm proud of how good the club looked this Sunday but, stay tuned as I will be planning a beer & paint party in late summer. The club

needs a large amount of paint work and nothing makes painting go better than lots of people and beer + brats.

Work party helpers in no particular order! If I have missed someone please let me know.

A Big Thank You to...

Rear Commodore's Report – Bill Traver

Spring is here now and we are expecting a lot of sunshine for Opening Day.

The pilings are in for the new dock and the dock has started to take shape. Once we know when we can "walk over the water" on our new dock, we will have a ribbon cutting party.

Speaking of Docks, our Dock Fridays are back, starting with Opening Day weekend. We're looking forward to seeing everyone there. We have a lot going on for

Opening Day as well. We have a Breakfast at 8:00am and the Flag Raising Ceremony is at 10:00am.

Members are welcome to enjoy the club facilities or join some of us for a walk down to the Montlake Cut to view the boat parade.

Dinner is early at 5:00pm and then Dancing at 7:00pm. See the flyer below for more information.

I hope to see many of you there.

Fleet Captain's Report – Mike Thompson

I again want to THANK Katie Jeppesen for putting on Corks and Canvas. We had 28 people attend to eat and drink wine. Katie made most of the hors d'oeuvres. And Susan Visintainer for the good deal on the wine.

Last weekend was the Edmonds Cruise and the weather was great for most of the weekend. I want to thank Steve and Linda Cook as well as Joyce and Kevin Carlson. The group went to Anthony's Friday night for dinner. Saturday dinner was Chicken Marsala made by my friend, Lisa. Joyce

made all of the noodles and Katie made meatballs in a very interesting sauce. Kathy Ornelas provided some amazing cupcakes.

Please contact Pat Hansen for the Memorial Day Cruise to Tacoma. Pat does a good job in Tacoma and the Glass Museum is very close as well. The Car Museum is also within walking distance.

The Golf Cruise is coming up again at Hat Island on June 9th - 11th. Please contact Jerry Zitkovich if you plan to attend.

Membership Report – Pat Hansen

We have one more prospective Social Member who has submitted her Membership Application. If you were at the Cork and Canvas Social – or last month's meeting - you may have met her. Penny Smith is a friend of Debra Marositz and is a delight. She has already signed up for Opening Day Dock Friday and Saturday Dinner Dance so you will have a chance to meet her then – or again.

Her application will be reviewed at the May Board meeting and if they sign-off – Penny will be initiated at the May meeting.

Craig and Suzanne Cayton – Vince and Lacey Ethier - and Kelly and Bill Crow (Maddie stood in for her dad Bill who was traveling) were all initiated at the April Meeting. Bill and Suzanne, as well as Vince and Lacey, will be at all of the venues of Opening Day. Kelly and Bill and their family will be here for Dock Friday.

See you Opening Day and at the Meeting. Please Don't Forget To Make Your Reservation(s)!

2017 MEMORIAL DAY CRUISE

Friday May 26 – Monday May 29th

REMINDER

Memorial Day Weekend 2017 – Fun in the Sun

The marina is located directly in front of the Museum of Glass at the end of the Foss Waterway, an easy cruise from the North (and right past Des Moines, the lowest price fuel on the Sound).

There is lots to do in Tacoma. Visit the Art Museum, the Glass Museum, the History Museum. Walk Antique row - the new Foss Waterway Seaport. There are two friendly nearby pubs as well as great restaurants. Walk the new University of Washington Tacoma campus. Watch the boys blow glass at the Glass Museum and (possibly) get a tour of the Hot Shop. This is pending.

The weekend is still being planned and details will follow. If you haven't signed up yet please contact:

Pat Hansen 206-595-6351 or Bill Traver 206-979-1138 by May 10th.
