

Commodore's Report – Robert Murphy

Thanksgiving is now behind us and we are in the full swing of the holiday season. In December we have two big events left. The first is our annual Bell Harbor cruise which starts this coming Friday the 7th. It is a pretty packed weekend of dinners, shows, and good times. Garry will have more information in his Fleet Captain's Report. On the 12th is the Awards Ceremony Banquet. This is an enjoyable night where we get to celebrate the proud volunteer work of the club. I am hoping that everyone has made reservations with Cindy Josephson.

This past Sunday we had our Seafair Holiday Cruise. Rich was our lead organizer and we had quite the volunteer squad for this event. I wanted to do a special call out to the Zitkoviches, Loffgrens, and Moores who had volunteer boats.

In November we had the Commodores Ball which was a fantastic event. Cindy Josephson was our event coordinator and setup a great new venue for us. The catered food was very good and having an adjoining dance room for everyone made for a great layout. Special thanks to Cindy and we already have the venue booked for 2019.

Have a happy holiday season everyone.

Vice Commodore's Report – Bill Traver

Here we are, another year ending and the club still standing. As Vice Commodore I am happy to say everything is still working and we are adding WiFi to the club house.

Now we can look forward to another year of fun boating. There isn't much more to say but have a great holiday!

Rear Commodore's Report – Adrienne Dahlin

Greetings of the season!! I can't believe the holidays are here and another year is almost in the books. Club members had a wonderful time both on and off the water in

2018. I'd like to thank everyone who hosted, helped with, and/or attended a club social event. My time as Rear Commodore has been most enjoyable!

Fleet Captain's Report – Garry Moore

Membership Report – Pat Hansen

One bit of news on the dock is that Steve and Carrie Lillie have left the dock for their new moorage in Des Moines. They have been on the waiting list for over 4 years and have finally gotten a spot. They live in Burien and it makes perfect sense since it will only be 10 minutes from their home to their boat. Their boat – Apricity is 40' and there has been a lot of space between the current boats. We suddenly had room for a much larger boat by shortening the space.

At the same time that Lillie's gave their notice, new prospective members were looking for a yacht club. They had just purchased a 53' Selene and were looking for moorage. To make a long story short - Kevin and Theresa

Green joined the club and will be initiated at our Awards Banquet on December 12th. Their boat will be on the dock in Apricity's spot and after officially measuring their boat it will occupy 60' of dock space – plus all boats will now have 4' between them.

Please welcome Kevin and Theresa to the club and take a stroll down the dock to see their new boat.

Sunshine Report – Sharon Moore

I am delighted to report exceptional news that happened at our club. Rodney Jung volunteered his expertise time with the American Red Cross as a Disaster Health supervisor. Rodney was deployed to the Camp Fire in California and was assigned to a shelter in Oroville, California. Rodney's team consisted of 7 mental health professionals including 2 psychologists, 3 social workers, a mental health counselor and a psychiatric nurse (Rodney is a marriage and family therapist).

The majority of the shelter clients were there from the town of Paradise which before the fire had a population of approximately 27,000. They lost over 18,000 residences. At the beginning of the shelter, one of the most emotionally challenging issues was the search for the missing; later it became the confirmation of the fear that some had lost their homes and all their possessions.

At the last General Membership Meeting, October 17, 2018; it was unanimously decided to send the Happy Bucks money we collected (\$125.00) to the American Red Cross in honor of Rodney's help with survivors at the Camp Fire in California. I was overwhelmed with the kindness that our PSYC club shows in dire times of need.

I also was remiss in not honoring the many military veterans that are in our club. Veterans Day was November 11th and we are very thankful for all the men and women who are and have defended our freedom. I know that I was very happy to give Norm Grossmann a big kiss for all the sacrifices he made for America.

I also want to wish everyone a Very Merry Christmas and A Happy New Year. My wish for our club is that the future is bright and happy for everyone! The classic line from the movie *It's A Wonderful Life* is "Remember no man is a failure who has friends". Thanks for all the friendships!

Everything goes better on the water!
