

Commodore's Report – Robert Murphy

I am looking forward to serving as your Commodore for 2018. We have great cruises and socials planned and it should be a fun year. 2017 was a great year for the club, especially with the completion of our new dock. And we had some wonderful new members join. Hopefully, the boat show in late January will bring us even more new members.

The boat show is January 26th to Feb 3rd. Janet Josephson will be organizing the sign-up sheet. Volunteers will receive free admission to the show.

Planning for 2018 is moving ahead with great cruising and social calendars. Both calendars are in this Sound Waves so you can get events on your own calendar.

Please plan to attend the General Meeting on January 17th. The Board will present the 2018 budget for the club's approval and your input is valuable. Also, don't forget to sign up for dinner by going to the website and entering your reservation.

The club depends on volunteers to manage several appointed positions and I would like to acknowledge and thank the following for their efforts and help.

It's time to get our gear and boats ready for the new boating season.

Welcome to the new Rear Commodore, Adrienne Dahlin and her plans for 2018.

I will see you at the January meeting as your new Vice Commodore.

Rear Commodore's Report – Adrienne Dahlin

Happy New Year! I am so honored to be your 2018 Rear Commodore. We have many fun events planned throughout the year with the first being the Wine Social in February. Our hope is that we will attract potential new members at the Boat Show and they can then attend the social to get to know our wonderful members, as well as see the clubhouse and dock.

Please feel free to contact me with your ideas as I'm open to all suggestions for socials. It's going to be a great year!

Fleet Captain's Report – Garry Moore

I hope you all had a Merry Christmas and a Happy New Years. The Bell Harbor Holiday Cruise was a great success capping off the 2017 cruising season. There were 10 boats at Bell Harbor with great, but cold weather. Friday night kicked off with dinner at Tulio's and everyone attending "Holiday Inn" at the Fifth Avenue Theater afterwards. We had 34 people at Cutter's for dinner and the ornament exchange on Saturday night. Trina put up some great photos of the event.

Now is the time to start thinking about the coming cruising season. We have nine exciting cruise destinations for the coming year. The success of our Club's cruises depends on the cruise captains. We need volunteers help organize the cruises. Arrangements have been made with the respective marinas or locations. The cruise captains are responsible for food and activities; typically, Saturday breakfast and dinner and a continental breakfast on Sunday. For longer 3-day cruises such as Memorial Day and Labor Day there will be an additional breakfast and dinner. Being a cruise captain is a great way for new members to get involved with Club activities. Please contact me if you can help with a cruise.

Membership Report – Pat Hansen

I hope you all had Wonderful Holidays and now that they are over I can hopefully get my life back in order. I also hope that you are able to avoid the colds and flu that are going around. It has been a pretty eventful winter so please stay well.

The next order of Club business is the Boat Show and our Membership Drive. We are off to a good start as we will be initiating two – and possibly three - new Members at the January General Meeting.

Also Brad and Helen Byrd are requesting re-instatement to the Club as Social Members. Helen is already back from South Carolina and Brad will be back in February. They have found a condo so now all they need to do is find a boat so they can be Active Members again.

Hope to see you all at the General Meeting. Don't forget to make your dinner reservations.
