

## Commodore's Report – Robert Murphy

March is upon us and that means for the hardy folks of the Pacific Northwest it is cruising season! The first Cruise of the year is here in three short weeks at Edmonds on March 23rd. Edmonds is always a great cruise as it's a close trip for most folks and a great marina, with nearby restaurants. We look forward to seeing folks there!

On the Social front we had a fantastic Wine Social hosted by the Quicks with a record number of attendees along with a record number of bottles of wine that were emptied! Speaking of crazy Socials, we have our annual Lobster Feed coming up on March 3rd led by the Mortons. This annual event is one of the highlights of the year and I hope everyone makes it.

I am still lobbying for us to have lobster races before the dinner but, it seems I get overruled every year.

Membership cards for 2018 are being passed out at meetings. Please make sure you are up to date on your dues to receive your card and this year's Roster. Rosters will be available at the April General Meeting.

Not to steal our Vice Commodore's thunder but, Bill has planned our Spring Work Party for April 28th. Please mark your calendar.

Last but, not least, at our March General Meeting we will be hosting Seattle Yacht club who will be presenting about Opening Day 2018.

Check your batteries, get your boats ready, because it's cruising season everyone.

## Vice Commodore's Report – Bill Traver

The eyes of March are upon us and we are thinking about April when things begin to bloom.

The club needs a spring cleaning for Opening Day.

Our Spring Work Party is Saturday, April 28, 2018 from 9:00 am to about 3:00 pm. There is a lot to do and it's enjoyable to spend some time with other club members. Thanks for your help in advance.

## Rear Commodore's Report – Adrienne Dahlin

The club held two socials in February. The Wine Social on the 9<sup>th</sup> exceeded all expectations and I want to thank our hosts, Bob and Judy Quick, as well as everyone who helped before, during, and/or after the event. We had several guests and potential members in attendance; I think it's safe to say we "wowed" them! An additional thank you goes to Sommelier Shelly Fitzgerald for coming out to the club and guiding us through our tastings. She is truly amazing and a wealth of information.

The Ice Breaker Brunch at Chinooks on the 18<sup>th</sup> was well attended and a great time was enjoyed by all. It was wonderful to enjoy fellowship with members and potential members!

Our next social is the Lobster Feed on March 3<sup>rd</sup>, which will be hosted by David and Nancy Morton. 72 members, guests, and potential members are set to attend; don't forget to bring your lobster crackers. Snap, Snap! This has been a memorable event in the past and I know everyone will have a lovely evening. Please note that reservations for the event have ended.

There is still plenty of time to RSVP for the Corks & Canvas event on April 21<sup>st</sup>. Katie Jeppesen's niece will help us sip, paint, & repeat! Please see the attached flyer. You may contact Katie to hold your spot; [kjlatte@aol.com](mailto:kjlatte@aol.com).

We will be hosting Seattle Yacht Club's 2018 Admiral, Vice Admiral, and Admiralette at the general meeting on March 21<sup>st</sup>. They will discuss Opening Day and this year's theme. Get set to decorate!

## Fleet Captain's Report – Garry Moore

## Membership Report – Pat Hansen

Our Membership Drive is well underway. In January we initiated Ted Gross as an Active Member.

In February we initiated Lisa Ross-Thurmond and Bill Grant as Active Members. Brad and Helen Byrd also attended our February Meeting and are now reinstated as Social Members until they get a boat.

Now comes March.

We have received 7 Membership Applications – 6 Active and 1 Social – all of whom attended our February Meeting and met many of our members. I will be presenting their Applications to the Board on Wednesday March 21st for approval and if approved will they will be initiated at the March Meeting.

We have one other couple who are very interested in the Club who will be joining us at our Lobster Feed. Many of our Members will have the opportunity to meet them and if they submit a Membership Application before the Board Meeting I will also be presenting it to the Board for approval with their initiation at the March Meeting.

There are a couple of other prospective members that wanted to be contacted for our March meeting and I will be following up with them.

Make your reservations for our March Meeting and welcome our New Members.

See you at the Lobster Feed and at the March Meeting.
