

Commodore's Report – Bill Traver

It's been a month as Commodore and many things have happened. The sale of the club is off. The wind and rain storms have taken part of our roof off so we have a leak that needs to be fixed. The women's bath room needed attention and is now fixed. A cleat on the dock was pulled out from the wind.

We now have Club and Dock Internet. We have two beautiful new boats on our dock. Part of the parking in front of the club is being torn up by the city for electrical

upgrade. We had a booth at the Boat Show. We are looking forward to the Wine Tasting Social and Potluck event and now it's time for our February General Meeting. We will be hosting the Seattle Yacht Club and they will fill us in on Opening Day events.

I want to Thank Everyone who helped getting us through this first month of the New Year. Moving forward we have some boating to do.

Vice Commodore's Report – Adrienne Dahlin

Welcome February and Happy Valentine's Day!!
The good news is we aren't in the midst of enduring arctic temperatures, like much of the country, and don't have to worry about burst pipes. The bad news is the January wind storms caused our clubhouse roof to lose several tiles. Shortly after the last storm, Pat Hansen noticed a leak in the ceiling of the club's upper level. Mike Thompson (member) was brought in to survey the damage and provide a repair estimate. The cost of the repair was approved and Mike will be fixing the leak. Thank you, Mike. Thank you also to Pat for reporting the issue promptly.

Rich Tremaglio has repaired the leaking toilet in the ladie's restroom. Rich always seems to step up and help out around the club and dock. Please tell him how much he is appreciated the next time you see him! Thank you, Rich.
We still need a volunteer, or volunteers, to install our new dock ladders. If you're interested, please e-mail me at adrienedahlin@comcast.net.
Save the date for our Spring Work Party on Saturday, April 27th. If you can't attend, or just can't get enough of helping out around the club, please look for the "To-do List" sign-up sheets and pick one or more chores to complete. Many hands make light work. Let's get the club looking good for Opening Day festivities!

Sunshine Report – Sharon Moore

When I was Talking to Cindy Josephson about General Meeting Dinners at the club I felt that reporting it in the Sound Waves might help her at getting volunteers.

Last year a big THANKS goes out to Laura Klein, Craig Cayton, Rich and Echo Tremaglio, Dave Meissner, Mary Adkins, Stephen Lillie and Carrie Johnson, Janet and Rick Josephson, Donna Sheneman, Marcia Ellingson, Mike Thompson and Lisa Ross-Thurmond who worked in the galley. I'm sorry if I missed anyone who volunteered, but I do realize how much you are appreciated!

We will now move on to 2019. Please respond with a quick email to Cindy, cjosephson@pugetsoundyc.org, and let her know if you would like to Volunteer in the Galley, it's a great way to help out the club and you find out where all the

dishes and silverware belong. It would be wonderful if newer members would volunteer, but all are welcome.

Our club has Members, Mike and Lisa Haistings, who have two extraordinary dogs, Olive and Caper. Olive has competed many times in competitions and Caper is now getting into the fun. Now, we want to follow their adventures and find out where in the world the dogs will be!

I'm wishing all of you a wonderful Valentines Day, I thought you might enjoy some of these quotes. All you need is love. But a little chocolate now and then doesn't hurt...Charles M. Schulz or I wanted to make it really special on Valentine's Day, so I tied my boyfriend up. And for three solid hours I watched whatever I wanted on TV...Tracy Smith

Everything goes better on the water!
