

Commodore's Report – Bill Traver

Okay, I think May at the club is one of my favorite times of the year. There is so much going on. The season for boating is just starting up. First, there is Opening Day where we all dress up and raise flags on our new flag pole, thanks to Rich and his helping hands for that. Then we went out on our flagship to greet our fellow boaters. Thank you to Theresa and Kevin Greene for the use of their beautiful Selene, "Endeavor". Then onto drinks and dinner with our fellow members and guests. A big thank you to Pat Hansen for all the work to put on the dinner, with dancing a singing into the night. Thank you, Robert Dahlin, for the music and all the karaoke equipment.

We had our May Board meeting where we discussed having a Long-range Planning Committee once again. Our General Meeting and then our Memorial Day cruise to Tacoma.

Thank you, Pat and Nancy, for all the work on that. The tour of the Preston Singletary show at the Tacoma Art Museum and a First Aid class put on by Robert Murphy were highlights. We'll be meeting in June where we can talk about some long-range planning and then we won't meet again until September. I hope to see everyone at the June meeting or out on the water this summer.

Vice Commodore's Report – Adrienne Dahlin

Hello members and happy summer! The boating season got off to a great start with Opening Day ceremonies, meals, and celebrations at the club. It was wonderful to have visitors from Seabacs Boating Club! We had a lovely parade on the beautiful officer's ship and enjoyed our post-parade trip to Meydenbauer Yacht Club to see the UW band and cheerleaders. Thank you to everyone who helped with Opening Day!

Robert and I were very pleased to represent PSYC at Des Moines Yacht Club South Sound Opening Day event May 10th – 12th. DMYC officers and members were incredibly welcoming and expressed how happy they were

to have representatives from our club in attendance. We greatly enjoyed meeting people from DMYC as well as from a variety of other yacht clubs; Tacoma, Day Island, Fox Island, Tacoma Outboard, Seabacs, Totem, Three Tree Point, Emerald Rose...I'm probably forgetting one or two. I participated in the South Sound Opening Day ceremony as a visiting bridge officer and was very proud when they raised our burgee! I hope that we can gather a group to attend in 2020.

Facilities issues have been minimal. We did have to repair a urinal in the men's restroom.

Remember to save the date for the Fall Work Party on Saturday, September 28th.

Rear Commodore's Report – Ted Gross

Summer is here! First I would like to thank everyone for their support and kindness. As everyone knows time heals and I am doing just that. I am hoping to be back at the helm very soon! A big thanks to everyone that helped and participated in Opening Day festivities. It was a wonderful day!

As of now we have had our May 31 Dock Friday and Karaoke night. Maybe we will be doing this fun event again. Next up is the BBQ and

Smoking event on June 22nd. Come for the day or just for an incredible meal. Contact Rich Tremaglio to RSVP.

On the 4th of July why not come down to the dock and watch the great fireworks display? July 5th will be another Dock Friday as well as August 2nd. I hope you have a great cruising summer, be safe and I hope to see you on the water.

Fleet Captain's Report – Garry Moore

I am writing this report before the Memorial Day Cruise in Tacoma as Sharon and I are taking a different cruise; a 10-day Holland America cruise from Copenhagen to St Petersburg and back. If history is any indication, I am sure it was another great cruise, The Dock Street Marina is a great place for a cruise and there is so much to do and see in Tacoma. It looks like the weather on Sunday and Monday will be good.

The next cruise is the Hat Island Cruise. Please contact Jerry Zitkovich if you want to attend. This is always a great cruise at our Outstation.

The last cruise in June is our Vacation Connection at La Conner; a jumping off destination for those of us lucky enough to spend more time cruising up north. We have both sides of F Dock, the dock closest to downtown. Please call or e-mail me or Cindy Josephson to arrange for a slip. You don't need to call the Marina.

Since this is the last Sound Waves until September, we need to remember there are

still three more cruises left this summer. Gig Harbor on July 26th to 28th, Andrews Bay on August 16th to 18th and the Labor Day Cruise over Labor Day weekend. Please contact the cruise captains listed below for reservations.

Sunshine Report – Sharon Moore

Garry and I thank you for all the caring cards and text messages, we have been given the OK to go on our Holland American cruise to Copenhagen and St Petersburg...leaving Monday morning early.

When Garry and I heard of Kathy and Joe Ornelas boating misadventure on their way to Tacoma for a PSYC Cruise, we couldn't help but think of the times when we have had boating problems. The Ornelas' boat Slo M'Ocean had a major transmission problem and was dead in the water! Kathy said no tow or vessel assist were able to help. Fortunately, Mike and Lisa Haistings heard the call to the Coast Guard and came to their rescue and towed them back to Elliott Bay.

As Lisa Haistings said, "that's what fellow boaters do for each other". We have found that out in a couple of our boating adventures. Once as we

were going to the Anacortes Vacation Connection Cruise June 2015 when our boats RPM's went down on the starboard engine. We limped into Cap Sante Marina and it was great seeing other PSYC members on the dock. Paul Devlin, Jerry Zitkovich and Bob Josephson helped us find out the problem and correct it so we could continue on with our boating plans and not have to wait for a mechanic to work on the boat. One big plus belonging to our Yacht Club!

Ted Gross, our Rear Commodore, had a terrible motorcycle accident May 9th. He has had surgeries for his arm and hand. I know we all wish him a speedy recovery.

Life is simple, just add water!

A Note from the Galley Chairs

Our June 19th general meeting dinner will be prepared by Lisa Haistings and crew. Steaks are on the menu! An accurate head count is needed. Please RSVP directly to Cindy - (cindyj@pugetsoundyc.org) or Carol - (moonshiner01@msn.com) Please do not RSVP to the PSYC website for this dinner.

Reservations are due **NO LATER than JUNE 13th**.

Galley Chair Position – After 4 years, Cindy and Carol (and Dave) will be stepping down from the Galley Chair(s) position effective at Change of Watch in December. Give one of us a call if you are interested in volunteering for this position and we can discuss what is involved. FYI, it is nice to have 2 people share the duties. A great opportunity for newer members to get involved with the club!
