

Commodore's Report – Bill Traver

Here it is March already and things at the club are beginning to happen. The Seattle Yacht Club gave us the run down on Opening Day events just around the corner. Let's pray for a beautiful day. It would be great to get a large turnout of club members for the flag raising and breakfast on Saturday May 4th.

We have been getting a few things done on the dock and have some more to do so a

good turnout for the Spring Work Party April 27th is needed.

A big Thank You to Judy and Bob Quick for the wonderful wine tasting social. We had a very large turnout for the event. I think there was a lot of wine sold and consumed that evening. People seemed to have a very good time.

Our first cruise of the year, Edmonds, is approaching April 12 - 14th so it's time to make ready our boats.

Vice Commodore's Report – Adrienne Dahlin

The snow and cold temperatures in February impacted the dock. The faucet at the end of the dock froze and cracked and several others froze. Thanks to Rich Tremaglio for replacing the broken parts.

Ted Gross, Robert Dahlin, and Garry Moore will be installing the dock ladders very soon, likely before the end of the month.

We still need volunteers to install the new flag pole. Please contact me if you are able to help.

Fleet Captain's Report – Garry Moore

We just had one of the warmest Januarys in history followed by one of the coldest Februarys in history. Now the weather gurus are predicting a warm Spring. Let's hope they are right, and we can enjoy a great Spring for boating.

Our first cruise is at Edmonds on April 12th to 14th. Steve and Linda Cook, Mad Dog and Lisa and Joyce and Kevin Carlson are the cruise captains. Steve has reserved the slips for us. Please contact Steve to reserve your slip for the cruise. See the attached Marina Map.

Sunshine Report – Sharon Moore

I hope, as we enter March, the weather report we got from the Groundhog really is true! Aren't the 6 weeks of winter over?!

Our Past Commodore (2004), Dick Paine, has just had pacemaker surgery for a congenital heart problem. He had surgery Friday at Swedish Hospital, Cherry Hill, and was home again on Saturday. We wish him all the best and a quick recovery. His wife, Jodie, is a wonderful Nurse and taking great care of him.

We are so happy that Laurence Krueger is recovering from her surgery. Laurence had surgery on her left foot, it was deteriorating and they had to put screws in to reinforce her foot, ouch! Laurence had the surgery in January and now is starting to get around

with a walker...hoping to go back to work in a couple of weeks.

If you see Kim Haistings floating around it is because she is so excited about being a Grandmother. Kim and Kevin's son, Kevin and Daughter-in-law Jamie, are expecting a baby boy on June 16th...a great day, Mine and Garry's 51st Wedding Anniversary.

I also want to shout out to Norm Grossmann, on Sunday, February 24th, he celebrated his 96th birthday. Norm, we thank you for your service in World War II. We love you Norm!

Life is simple, just add water!
