

## ☆☆☆ Commodore's Report – Bill Traver

The year is quickly coming to an end. In October we had our annual Poulsbo Cruise, which I heard was a great success. October also saw the start of our Long-Range Planning committee, which will be working hard in the new year to put some new things on our plate which the club members have expressed an interest in.

Now in November, we have a lot going on. November 9th is the Commodore's Ball at the Inglewood Golf Club, and I am looking forward to seeing everyone there for some dancing, good food, and drink. November 19th is our Cruise and Social Planning meeting from 6pm to 8pm at the Club House. Come and help put together a great schedule for 2020.

In December there is the last cruise of the year, the Bell Harbor Cruise on December 6th - 8th. Sunday, December 8th is the Seafair Holiday Cruise as well from the Club House.

December 18th General Meeting will be handing out the awards to all the people who helped out past last year, the Change of Watch and Commodore's Awards. All of the events listed can be seen in more detail on the Puget Sound Yacht Club Calendar.

And finally, the results of our election.

Looking forward to 2020 and our new Bridge & Board members!

## Vice Commodore's Report – Adrienne Dahlin

Hello members. I'm happy to report that we had a sunny and warm day at the end of October and most of the painting left over from the Fall Work Party was able to be attended to thanks to one ambitious member! This was so appreciated and just goes to show what we can accomplish when we all work together to help with the maintenance of our valuable property and facility.

Though we are firmly into autumn, there is still plenty of fun left to have in 2019, including our eagerly anticipated Commodore's Ball honoring Commodore Bill Traver! It's been a pleasure working with him and I'm so pleased we are setting aside a night to show him our appreciation. I strongly encourage all members to attend the Cruise and Social Planning meeting on

November 19<sup>th</sup>. This is your opportunity to have a say in where we will cruise in 2020 and what kind of social events we'll hold at the clubhouse. We also have the fun Bell Harbor cruise in December, and I cannot wait to see everyone's Christmas sweaters at Cutters.

Thank you to everyone who turned out for the October General Meeting and Annual Elections, as well as to those who voted by mail. I am humbled and honored to have been elected next year's Commodore and am quite excited to begin working with our fabulous Bridge and Board come January. Congratulations to all those elected to serve the club in 2020!

## Rear Commodore's Report – Ted Gross

Hello members. The cold weather is upon us and Winter is coming. I was on the boat this last week getting it ready for the cold weather and reflecting on the always too short, but great, cruising memories we made this year. I hope you have some great memories from this year as well.

Coming up at the November General Meeting we will have guest speaker Bob Wise from RBAW. Bob will be presenting a power point and discussing membership.

November 24<sup>th</sup> will be the Fresh Wreath Making Event put on by Corks and Canvas. There will be light appetizers and wine. See below for the flyer and contact Katie Jeppesen or myself if you would like to attend. Signups and payment will be due by 11/15.

December 31st Katie and I will be hosting a Prime Rib Dinner at the club. Please come join us for dinner, music, dancing and a champagne toast to celebrate the New Year and a new decade. \$25 pp.

## Fleet Captain's Report – Garry Moore

We are definitely into Fall with some cold nights, but we still have some sunny days for boating left. The Bell Harbor Holiday Cruise is our last cruise for the 2019 boating season. Cindy has reserved slips at Bell Harbor, but you need to let the Marina know if you are coming. You can also come by car if boating in December is not for you. The Cruise starts Friday night with the production of "Mrs. Doubtfire" at the Fifth Avenue. You need to contact Cindy for tickets. Saturday night will be the always fun dinner and Ornament Exchange. Not to be missed!

The Cruise and Social Planning Meeting for next year will be November 19<sup>th</sup> at the Clubhouse. Pizza and soft drinks will be provided. You do not want to miss this meeting if you have input on next year's cruise and social calendar.

## Sunshine Report – Sharon Moore

As we prepare for Thanksgiving I thought it would be a good time to remember how the holiday started. I was reading Good Housekeeping and though you would enjoy these facts about Thanksgiving!

The first Thanksgiving was actually a three-day celebration. In November 1621, the settlers' first corn harvest was successful and Governor William Bradford invited the Plymouth colonist's Native American allies to enjoy the fruits of their labor. Today, Thanksgiving takes place on one glorious, food-filled day - maybe two if you count Black Friday.

In fact, over 32 million people begin Black Friday shopping on Thanksgiving! Although many consumers still think stores shouldn't be open on Thanksgiving, Black Friday still draws the biggest crowd of the entire weekend, with 115 million people. I think that is why it's so hard to find a parking spot!

Also, Black Friday is the busiest day of the year for plumbers. Thanks to all that food we gobble up on Thanksgiving and houseguests stressing out the plumbing system, Roto-Rooter reports that kitchen drains, garbage disposals, and yes, toilets, require more

attention the day after Thanksgiving thanks any other day of the year. You might want to remind your well-meaning kitchen helpers not to stuff food down the drain, to save yourself an expensive plumbing bill.

It's unclear if colonist and Native Americans ate turkey at their feast in 1621. However, they did indulge in other interesting foods like lobster, seal and swan. The Wampanoag even brought five deer to the feast, so if you enjoy venison at your autumn table, consider yourselves right in line with long-standing tradition. Although, about 46 million turkeys are cooked for Thanksgiving each year. Thanksgiving without turkeys would be like Christmas without a tree, and most Americans serve it because it really serves a crowd. On Christmas, 22 million families host an encore with yet another turkey.

I hope everyone enjoys their Thanksgiving holiday and I am very Thankful for our Yacht club.
