

Commodore's Report – Bill Traver

OK, so what happened to our September? We are already into October. By now we will have had our Fall Work Party. Thank you! to all who helped out with that. The club loves you! We appreciate all the help you give. Coming up Oct 12th is the, always wonderful, Poulsbo Cruise. Be sure to let Garry Moore know you're going to be there.

The October General Meeting is an important one where we will elect our new Bridge and Board members. We have a full slate with one exception, a Fleet Captain. We

are still looking for someone to step up for that one. If there are any other members looking to run for the Bridge or Board please let me or Robert Murphy know of your interest. The Ballot is in this newsletter.

This year the Awards dinner will be combined with the Commodore's Ball Saturday November 9th at the Inglewood Golf Club. I am looking forward to seeing everyone there. Please RSVP to CJosephson@PugetSoundYC.org before October 28th. There will be a lot of good food and boating friends.

Vice Commodore's Report – Adrienne Dahlin

Happy Autumn, members! We held our Fall Work Party on September 28th. Our small, but mighty crew accomplished most of the primary tasks, however we were unable to paint due to the very wet weather. As soon as we get a few dry days in a row, volunteers will be needed to paint the stairs and rails from the dock to the upper clubhouse. Please let me know if you can help with the painting. I'd like to extend a big thank you to all those who worked at the club prior to the party, those who attended the work party, and those who have let me know they will be taking on a job in the next week or two. All of your efforts are very much appreciated!

We do still have a number of larger projects (beyond the scope of a work party) on our radar. Look for an e-mail with the project list shortly.

Taking off my Vice Commodore hat for a moment, Robert and I are thrilled to be hosting GAFIA 2020, a four night Pacific Coastal cruise onboard Holland America Line's Eurodam! The cruise dates are April 11-15, 2020; please note this includes Easter Sunday. Many staterooms have already been booked by your fellow members. Robert and I hope many more of you will join us for this fun Spring getaway. Please see the attached flyer for details and booking information.

Rear Commodore's Report – Ted Gross

Hello members. I love the fall season. Crisp beautiful days, wonderful soups, Pumpkin Latte's and still more great boating ahead. Coming up we are going to have a Corks and Canvas Wreath making event on Sunday November 24th at 2PM. Afterward, some of

us will be sticking around to watch the Seahawks play the Eagles. Have you made plans for New Year's Eve yet? Why not spend the evening celebrating at the club with a Prime Rib Dinner by Chef Ted and Champagne toast to commemorate 2019. More details to come.

Fleet Captain's Report – Garry Moore

There is little doubt that Summer is over. Snow in the passes in September! Let's hope there is still some good Fall weather left for our remaining two cruises. For me the Poulsbo Pool and Dart Tournament is one of the best cruises of the year. It has a great marina with a variety of good restaurants and quaint little shops, and don't forget the Bakery. You don't need to make reservations with the marina; just let me know and I will make the slip assignments.

Sunshine Report – Sharon Moore

I was listening to the radio and heard the song "We Are Family" and thought of dancing to that song at Yacht Club Socials! It always makes me feel good and brings back many fond memories!

Puget Sound Yacht Club is family and I love this Club because of how we take care of each other! It really is reassuring to know we can count on each other when problems occur and we have each other's back!

I went to the Fall Work Party and once again

saw our club family in action! It was a wonderful time making the club shine and visiting with good friends. The sun finally came out! I'm sure all our Husky fans were glad to see it at the football game!

Another Club member, Lindell Graham, is starting a new company called Salish Sea Embroidery and I am looking forward to seeing her work and using her skills in our ship store. This will be a great way to count on our family once again!

Life is simple, just add water!
