

Commodore's Report – Bill Traver

The summer is coming to an end and I hope everyone had a great time on the water. I know I did. That last cruise to Kingston was a great one.

We have just two cruises left, the next one to Poulsbo October 12th – 14th, is always a fun one.

Now it's time to get to work and have some fun at the club house. We are going to need some help with the Fall Work Party on September 28th, there is a lot to do.

I am looking forward to seeing everyone, and hearing all about your boating adventures, at the General Meeting on September 18th.

Vice Commodore's Report – Adrienne Dahlin

Welcome back, members!

I trust everyone enjoyed the official boating season as much as Robert and I did. We attended so many awesome PSYC cruises and want to thank all the cruise captains for making it a fun filled summer! Thanks also to the members who happened upon us in Andrews Bay or out at Seafair and rafted up and to those we ran into at area marinas and ended up sharing conversation and docktail time. These formal and informal get-togethers and camaraderie are exactly what we had hoped for when we joined PSYC and make membership in our club so very valuable!

Though there are still a few weekends left before the calendar says it's "officially" autumn, it is time to prepare the club for the off season. The Fall Work Party will be held on Saturday, September 28th (see flyer) and we have a very full, and growing, list of things that need to be addressed. As in the spring, there will be a list of tasks posted on the club bulletin board so members who cannot attend are still able to sign-up to complete one or more at a time most convenient for their schedule. We would like to see as many members as possible participate so that we can complete everything on our large list.

Thank you in advance!

Rear Commodore's Report – Ted Gross

Hello members. I hope you all had a fantastic summer and have created some great cruising memories this year. Over the summer we had some great social events. Our Dock Fridays were well attended and lots of fun. Rich's BBQ and Smoking event

was fabulous. Thank you Rich Tremaglio and Kevin Haistings.

I would also like to give a big thank you to everyone that pitched in and helped to make these all successful events.

Fleet Captain's Report – Garry Moore

I hope everyone had a great summer of Cruising. We had three Club cruises this summer. The **Vacation Connection** was held in La Conner as a start off for summer cruising for many. We had nine boat at the La Conner Marina. Sharon and I along with Bob and Cindy Josephson were captains for the cruise. The group had dinner Friday night at the La Conner Seafood & Prime Rib House. Along with breakfast and dinner on the dock we had a "white elephant" exchange Saturday afternoon.

From Adrienne Dahlin:

The **Gig Harbor Cruise** was fairly well attended. We had seven boats at Arabella's, as well as eight additional people who came via land to attend at least one of the meals. We enjoyed a Friday night welcome dinner at an Italian restaurant in town. On Saturday, several couples attended the Food & Wine Festival and that evening we held a Mexican Fiesta themed meal in the marina netshed. Following dinner was a fun night of karaoke.

The **Andrews Bay Cruise** was captained by Chris Kullmann, Paul and Trina Smith and Robert and Adrienne Dahlin.

From Trina Smith:

Hello Members! We had a smaller turnout for the Andrews Bay Cruise this year, but it was still a blast! We had karaoke in the Bay and the girls, and Jackson, had a lot of fun on a floaty ride we took on Adrienne's Christmas gift, Farrah, the Pink Flamingo! It was so much fun! You'll see by the pictures (*See Trina's email to the Club*) and a couple little videos...☺ A huge thanks to Chris for bringing out the food and serving up delicious burgers....thank you

Sunshine Report – Sharon Moore

What happened to Summer? It's all a blur! In May I went to a luncheon with my good friend, Eileen Robinson, she gave each of us at the luncheon a stone with different words, love, peace, etc. Knowing that patience is not by best attribute, I decided to select the one that said PATIENCE! Little did I know that would be the word I needed throughout the Summer.

Patience to get through Garry's surgery in May, Kidney stones in June and our boat trip to Desolation Sound in July and then coming back home and going through the locks! Patience is a virtue, and I'm sure I'm on a super learning experience!

I know Garry had a lot of patience when we were in Canada on the boat...I'm still having trouble following the black line on the map.

Patience is also a word that our club has needed...Joe Ornelas as he has recovered from surgery. Ted Gross recovering from a horrible motorcycle accident. David Morton healing from broken ribs. They all show perseverance in finishing a task without complaints! Right ladies!

And now, to venture into the future in the club knowing that it can only get brighter!

Life is simple, just add water!
