## Commodore's Report – Adrienne Dahlin

Hello Members. I'd like to start off by once again expressing my condolences to Barbara Schwartz on the recent passing of her husband, Steven Schwartz. Barbara was very appreciative of the flowers sent to her on behalf of the club and also expressed how much the support given by members of PSYC meant to her. I know we will continue to support Barbara in any way we can. I'd also like to say how sorry I am for the fire that occurred at Bob and Cindy Josephson's marina. They were very fortunate not to have suffered another loss, but I know many of their friends were not as lucky.

I would normally be sending you an enthusiastic welcome to spring message, but these are not normal times. We are currently under the statewide "Stay Home" order so we are not out working on or prepping our boats as we would like to be. At least we can get in some gardening work, in between bouts of rain, or home projects, but it's not quite the same. That being said, it's been very nice to see the cherry blossoms and cheerful flowers popping up. I know we are all

making the best of the situation, counting our blessings where we find them, and will be out enjoying regular life very soon, more appreciatively than ever before! I can assure you that Robert and I are eagerly awaiting the day we can see everyone again, hang out on the dock, and spend time attending cruises.

The Board will be meeting virtually again in April to address the business of the club and review budget models accounting for loss of rental revenue. There is uncertainty over whether the "Stay Home" order will be extended, therefore the Board is exploring the option of conducting our April General Meeting via Zoom. There are call in options for those who don't have the access or inclination to join virtually so everyone would be able to attend. I think it would be nice for us to connect even if we can't, or shouldn't, do so in person. More to come on this. In the meantime, I hope you are all safe, secure, and well. Keep reaching out to each other as those connections are so important to our emotional health. I wish you and your families a beautiful Passover and Easter season!

## Vice Commodore's Report – Ted Gross

Greetings. What uncertain times we are all living in. Covid-19 has changed our lives forever. I know most of us are living by the Governor's orders to stay home and stay safe, going through unprecedented amounts of disinfecting wipes, sprays and hand soap while trying to maintain "Social Distancing". Mask or no mask? I say you should probably wear 'em if you got 'em! Some are fortunate enough to be able to work from home. To the few of you that I know who have to still go to the work place, I hope you are able to stay as safe as possible.

As with all other cancellations, our Spring Work Party is cancelled as well. If you are willing to help, there is a list that is posted at the clubhouse of items that need to be worked on. I am calling it the *PSYC Spring Maintenance List*. There were many projects that I was hoping to get completed,

but like most things this year, it is just not going to happen. With your help some will. If you do go, there is a new combination for the key box. See Pat's email or feel free to contact me to get the new code.

I want to say a very grateful THANK YOU to the liveboards. Pat, the Morton's, the Murphy's, and the Tremaglio's have all stepped up to take care of the clubhouse in our absence. Thank you... for your efforts of cleaning, sanitizing and shutting down the temporarily unused areas of the facility.

Lastly, my heartfelt condolences to the family and friends of Steve Schwartz. I did not know him like so many of you did, but he will be greatly missed by PSYC.

Take care, stay safe, and I hope to see all of you soon.

## Rear Commodore's Report – Trina Smith

Before addressing yacht club activities, I just want to express our deepest condolences to Barbara Schwartz and her family. PSYC has lost a long-time member of our boating family and Steve will be sorely missed.

COVID-19 has spread rapidly and I have been receiving continuous updates through work, the media and the medical community, as I'm sure many of you have. Please make sure to follow the guidelines with social distancing and washing your hands and wearing gloves when possible.

Unfortunately, the pandemic has caused us to cancel a few of our Socials & Cruises. Please see the updated list below.

Hopefully we will see light at the end of the tunnel soon. I am optimistic for the upcoming events below that are not cancelled at this time.

Please take care of yourselves and be safe. I hope to see you all soon.

## Fleet Captain's Report – Gary Sheneman

Let me begin by extending my most heartfelt condolences to Barbara and her entire family on Steve's passing. We are all living through unprecedented times and it is no more evident the passing of one of our long-term members and friends. I do hope her and the family are finding strength in each other during this challenging time.

Unfortunately, since our last exchange all we have experienced are cancellations. We made the correct decision to cancel the Blake Island Cruise. Within a few days we learned of the Seattle Yacht Club Opening Day and the South Sound Opening Day Weekend celebrations were also canceled.

Our updated schedule is listed below.

I'm holding out hope that we will see the momentum shift on this dreadful virus and we will be allowed (and eager to) return to our planned events and cruises in May. We have a highly anticipated return to Dock Street Marina in Tacoma on Memorial Day Weekend. There is a long list of things to do and see and I'm hopeful you'll consider attending. Please contact Pat or Bruce if you're interested.

While our routine is temporarily impacted, I hope this photo can serve to provide some inspiration that better days are ahead and I'm certain we will return to enjoying boating in the northwest and reconnecting through our socials, cruises and celebrations.

I'm looking forward to seeing all of you soon!

## Sunshine Report – Sharon Moore

I want to thank you, Laura, for getting us back to REAL life, sending my article to the Sound Waves makes me realize life will go on!

I was so sad to hear that Puget Sound Yacht Club lost one of our members to the COVID-19 infection. Stephen Schwartz was an University of Washington Assistant Professor in the Pathology Department. For a complete biography please check out Stephen Schwartz obit online. I know we all send Barbara our condolences during this tragic time.

I'm sitting home, like everyone else, and I have been reading the book Destination Cortez Island by June Cameron and looking up all the cruising spots in our Waggoner Cruising Guide. I have a dream that by this Summer we will be out on the water again. I'm keeping my fingers crossed that the Canadian Border will be opened!

Please stay safe everyone! Sending faraway hugs!

Life is simple, just add water

# *MEMORIAL DAY CRUISE 2020*

*Friday May 22nd – Monday May 25th*

## **Memorial Day Weekend 2020 - Dock Street Marina - Tacoma**

Come join us in Tacoma. Visit the Museum of Glass, the Hot Shop, the Art Museum, the History Museum, the Western Museum and the LeMay Car Museum. Walk Antique Row - and the Foss Waterway Seaport. There are friendly nearby pubs as well as great restaurants.

Dock Street Marina is located directly in front of the Museum of Glass at the end of the Foss Waterway, an easy cruise from the North (and right past Des Moines, the lowest price fuel on the Sound).

**Contact Pat Hansen 206-595-6351 or Bruce Curry 617-642-8857** and let us know you are coming so we can get a head count for food. **This year there will be NO additional cost for PSYC Members besides your moorage.** There will, however, be a \$10 charge for guests.

We have 15 slips reserved but they have a waiting list so . . . . .

**Please call Dock Street Marina – 253-572-2524 and register your boat by Tuesday May 12th. Tell them you are with PSYC.**
