Commodore's Report – Adrienne Dahlin

Happy Holidays! The festive lights and decorations are an especially welcome sight this year and seem to be lifting everyone's spirits. PSYC is doing our part to bring the cheer by hosting a virtual 'Christmas Carol Karaoke' social and a virtual holiday trivia. We're sure to have a holly jolly good time at these events so be sure to attend!

I'd like to thank Trina Smith and Robert Dahlin for hosting the 2021 Cruise and Social planning meeting. Many people commented on how organized both the 2020 (thanks Trina and Gary Sheneman) and 2021 meetings were which led to focused and efficient use of our planning time. We had great attendance and participation from our members. Next year's calendar is full of fun events!

The RBAW Annual Meeting was held virtually in November and your Board was well represented by Trina Smith, Garry Moore, and I. There were also a couple of PSYC members in attendance, which was nice to see. RBAW has continued its good work in Olympia and has lobbied to ensure recreational boater's voices are heard. They also announced the wonderful news that the Lakebay

Marina owner backed off the enormous price increase he proposed and has agreed to allow RBAW additional time to raise the necessary original purchase price funds. The pandemic made fundraising extremely difficult in 2020 so we hope that this extra time will result in a successful campaign. You may read the entire statement here: <https://rbaw.org/resources/Documents/Conservancy/11082020%20Lakebay%20update.pdf>

The Long-Range Planning Committee is seeking a new Chairperson as Rich Tremaglio has stepped down from the role. Rich did an amazing job and we thank him for all his hard work. If you are interested in this position, please contact me.

Though we will not be able to host our annual Awards Dinner, we will be conducting a virtual installation of incoming Bridge and Board members on December 16, 2020 at 7pm, with a social time preceding the ceremony. Please plan to attend and show your support of the members you have elected to serve the club in these important roles.

Season's Greetings and Happy New Year to you and your families!

Vice Commodore's Report – Ted Gross

Hello members and happy holidays. I hope you had a great Thanksgiving even though it was different from all the rest.

This has been a year to remember and forget. With the news of vaccines on the way it gives us strong hope for the new year that, although I don't think things will ever be normal again, we can return to some form of normalcy. This current year I believe will make everything next year that much more special.

My only new facilities news is that the Cayton's and Belle Pluie have moved to the PSYC dock. Welcome!

My very best wishes to you for a Happy New Year.

You don't stop laughing because you grow older. You grow older because you stop Laughing.

Stay safe everyone.

Rear Commodore's Report – Trina Smith

Happy Holidays Members!

I hope all of you are well and staying safe. The holidays are tough this year but hopefully the Christmas festivities will help lift everybody's spirits.

We only have two more Social Events left for 2020 but I also have our list of Social Events for 2021 below. We will need to keep with virtual events for a while, but we are hopeful that it will only be for part of the year. It's great to see our members and catch up online so we hope to get more participation if possible.

The Virtual Christmas Carol Karaoke is coming up on December 4th and we know that DJ Captain Rob will make it festive and exciting!

The Ornament Exchange was somewhat difficult to coordinate online so we will be holding a Virtual Holiday Trivia Social instead. Cindy Josephson was gracious enough to pull this together. Thank you, Cindy! Please bring your favorite beverage and join in on the holiday fun on Sat, December 12th. Prizes to be handed out too!

I miss seeing all of you and hope everyone is well.

If I don't see you online, I hope you have a wonderful Christmas and a Happy New Year!

Fleet Captain's Report – Gary Sheneman

Happy Holidays Everyone!

This most unusual year is coming to a close and I sincerely hope you're able to safely enjoy the holiday season. It is wonderful to see so many families getting an early start to house and yard decorations. Nearly every day a new display pops up.

Although the Argosy Christmas Ship Festival is canceled this year, I hope you build upon the energy in our communities to enjoy the holidays on the water and decorate your boat to bring joy and brightness to the season.

Your incoming Fleet Captain, Robert Dahlin, and Rear Commodore, Trina Smith hosted a virtual Cruise and Social planning meeting in

November to set the calendar of events for 2021. Knowing that many of the events of 2020 were necessarily cancelled it seemed only right to stay the course for 2021. You'll notice many similar destinations and Cruise Captains for 2021 but it's not too late if you'd like to pitch in and help on a cruise. There are several options below – make this the year for you to plan a cruise!

I hope you see you at the December's Member Meeting and wish you a Merry Christmas in person. If you're unable to attend, please know that Donna and I are thinking of everyone and very much look forward to returning our usual antics.

Happy Holiday & Best Wishes to a healthy 2021!

Sunshine Report – Sharon Moore

Homemade Christmas cookies and decorations are nice, a beautiful Christmas dinner is always welcome, and a freshly baked Christmas pie is yummy! But everyone knows that one of the most special things you can do at Christmas time is share a few heart-felt Merry Christmas wishes with your loved one.

After all, letting your family and friends know how much you cherish them simply feels good, and isn't that one of the reasons for the season? And the best part in a season where everything seems to come with a price tag, this gift is free!

In this time of COVID it is nice to know no matter how far apart we are, the warmth of Christmas will bring us closer together.

I asked our Flag Officers for the 2021 Bridge to share their Christmas wishes with the club.

Adrienne Dahlin, Commodore, wishes we would all return to normal, have one on one connections and good health in 2021. Adrienne said her hip replacement surgery is doing well and she is really improving every day especially having therapy three times a week. Adrienne said that talking to Rich Tremaglio about his hip surgery was so helpful.

Ted Gross, Vice Commodore, wishes we all get through this Covid madness and get back to normal again! Lots of wishes for great health, happiness and that this crazy year ends soon.

Trina Smith, Rear Commodore, wishes that we all are able to spend time with our families during this holiday and everyone stays safe and healthy.

Robert Dahlin, Fleet Captain's, wish for the Puget Sound Yacht Club is: once this pandemic is over and all restrictions are lifted boating in Seattle will become more popular than ever before; that people after taking for granted the beautiful waters in our region for so many years will take to boating and ownership of one, and that this new found hobby will lead them to a fine yacht club such as ours.

Craig Cayton, Secretary, wishes we all get through this pandemic safely and can get together again to throw around lots of HAPPY BUCKS!

Lindell Graham, Treasurer, wishes we hopefully can get together and see each other next year!

An update on Nancy and David Morton, both of them are feeling better and David has retired. They had to cancel Anna and Josh's December 12th Wedding because of COVID. The wedding was going to take place by Zoom but Nancy's Sister Lori and her husband Brian have Covid and are on the mend, so the wedding will take place at a later time. I know that we all wish Anna and Josh lots of happiness. Nancy wishes everybody a Merry Christmas and a less dramatic 2021.

I will leave you with this wonderful Christmas wish, "My idea of Christmas whether old-fashioned or modern, is very simple: Loving others." Bob Hope

Everything goes better on the water!
