Commodore's Report – Adrienne Dahlin

Hello members and happy summer! I hope to see many of you at the Port Ludlow, Port Orchard, Andrew's Bay and Olympia cruises. It's been far too long since we have gathered and I'm really looking forward to each of these weekends. It should also be fun to see the various mask designs everyone is wearing. ☺

The following was sent to all club members via e-mail on June 23rd, but I thought it appropriate to include in our newsletter as well:

At the June general meeting, I brought forward to membership a proposal discussed at the June Board meeting that the 2020 Bridge and Board roll forward to 2021. Due to the pandemic, this has been quite an unusual year in which, after February, very little business or social activity occurred. There is unlikely to be substantial 2020 club business or pending decisions that would normally transition to the subsequent Board. Therefore, to preserve continuity, the consensus among the Board was that it makes the most

sense to retain the current Board and Bridge members, who were all agreeable to remaining in their current positions. The club will of course hold the annual elections and we encourage anyone interested in running as a trustee, or other position, to please let us or Bill Traver know (as immediate Past Commodore, Bill is tasked with securing nominations). This proposal is in no way intended to prevent any eligible member interesting in joining the Board from doing so. "New blood" is always necessary to ensure fresh perspectives and experiences are incorporated. Member feedback at the general meeting was entirely positive. That being said, many of you were not in attendance, and we would like your thoughts. Please feel free to reach out to me or any Bridge/Board member with questions, concerns, or other input. Thank you!

I wish you all a very Happy 4th of July! For those coming back into the lake following the holiday, please remember that the large locks will be closed on July 7th for the majority of the day. Best to avoid it! Have fun boating and take care of yourselves. ☺

Vice Commodore's Report – Ted Gross

Summer is here and so are the long days, BBQ's and boating of course. I hope you have plans to get out on the water although like myself and my family, we will not be doing the typical trip that includes the Gulf Islands and beyond. We may get to the San Juan's but will likely be exploring more of the South Sound this year.

I would like to thank Rich and Echo Tremaglio for their time as Dockmaster and for all the help Rich has given me around the club. Our new Dockmaster(s) are Robert and Mich Murphy. Things are still pretty much shut down at the club and on the dock but if we do move to stage 3 in King County that is when our reciprocal dock will likely open back up so give Robert a call for dock assistance.

Hopefully by fall we will all be able to get back together. If we are able, please keep in mind the Fall work party. Since we didn't have a Spring party there is a lot that we need to catch up on for building maintenance. If there is a great turnout it will be an easy day. We can accomplish so much when we all pitch in.

I hope to see all of you very soon. Stay safe and have a wonderful summer

Rear Commodore's Report – Trina Smith

It looks like our summer weather has finally come around and boating activities are beginning to open up. It is good to see that we can get out on the water and enjoy the summer. I'm sure most of us need this right now.

We have progressed to Phase 2 of the Safe Start Plan but we still need to be careful with the activities we have planned so our next social will be the September Dock Party on Fri, September 11th. Robert & Adrienne will be hosting a 50's/60's Karaoke Party. This will be a great, fun way to pick the social events back up again.

Craig & Suzanne have volunteered to host the Wine Tasting in SoDo on Sat, October 17th so please Save The Date for this event. I think we will all enjoy this one!

I hope all of you stay safe and healthy, and enjoy your summer!

Fleet Captain's Report – Gary Sheneman

Hooray it's finally Summer! Now, hopefully we can start stringing a few sunny days together.

Cruising has started in earnest as many of you are heading out to celebrate July 4th. This year will bring some changes and a little less sparkle but it's going to be a good feeling being out on the water. We have a summer packed full of cruises to help everyone enjoy the best of the Northwest. I guess we unknowingly made a great decision to add some additional cruises this year.

We'll kick off summer in Port Ludlow on July 24th which offers a little something for everyone. Enjoy the day Saturday golfing, kayaking, or lounging and wrap up the day by the fire at the Pavilion on Saturday night. Your Cruise Captains have a fun time in store.

We'll head to Port Orchard on August 7th and take over the activity float. This weekend was planned for us to enjoy the Kitsap Wine festival but even though it's been postponed, I hear your Cruise Captains have their own festival in mind. Don't regret missing out!

August 21st has us returning to Andrew's Bay and "Hamburgers in Paradise". Don't miss the opportunity to enjoy an essential part of summer and relax on a float or explore Seward Park. I know Trina, Paul and Chris will have everything in place to make this a weekend to remember.

We have a return cruise to Olympia on Labor Day weekend and I'm currently looking for Cruise Captains to assist with the Cruise. I have a tentative offer from Cindi and Bob, depending upon the Canadian Border opening. Please watch your email for Cruise and sign-up information.

We are watching the County openings closely to ensure it is safe for us to gather. As of this writing, Kitsap has applied for Phase 3 and based on the numbers I'm hopefully Jefferson County is close behind. We also plan to take every precaution to ensure your health and safety and will be putting CDC guidelines into practice during our gatherings and meal service. We'll keep you posted if anything changes. Please reach out to your Cruise Captains or follow their instructions if you plan to attend.

I hope that you and your family are all safe and healthy.

Sunshine Report – Sharon Moore

Lindell Graham, our Club Treasure, had surgery June 17th for gastric intestinal infection. With the Corona virus she was alone in the hospital and after two days got to come home where she is self-isolating. Lindell says she is feeling much better and the pain was gone almost immediately. Great news!

Along with other members of our club, we are looking forward to taking Sea Moore out on the water and doing social distancing in the San Juan areas. I hope this crazy 2020 Summer turns out nice to us!

Enjoy these boating jokes!

Q. Where do sick boats go?
A. The dock!

Q. When do you know you are getting a good deal on a boat?
A. When there's a sail on it.

A boat carrying red paint and a boat carrying blue paint crashed into each other. The crews were marooned.

Q. There are 5 cats on a boat and 1 jumps off. How many cats are left?
A. 0 they were copy cats.

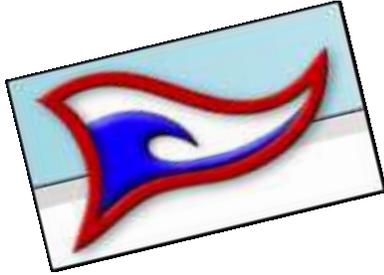

Q. How much does it cost for a pirate to pierce his ears?
A. A Buccaneer.

Q. How many boaters does it take to change a lightbulb?
A. None, because the right size bulb isn't on board, the local marine-supply store doesn't carry that brand and the mail-order house has them on back order.

A. Before the surgery, the anesthesiologists offered to knock me out with gas or a boat paddle.

Q. It was an ether/oar situation.

Life is simple, just add water!
