Commodore's Report – Adrienne Dahlin

Greetings members. We've just about made it through winter and are quickly approaching spring. The start of the official boating season is just around the corner! I'd like to thank our Rear Commodore, Trina for arranging the Seattle Yacht Club Opening Day of Boating presentation at the February general meeting. It's already time to start planning for our presence on SYC's Dock Zero and for our club's Opening Day ceremonies and festivities. I'm really excited about revealing what's inside the time capsule!

The Boat Show booth and modernized website were a huge success and once again I'd like to thank Lisa Haistings, Teresa Greene, Rich Tremaglio, David Morton, Craig Cayton, Katie Jeppesen, Garry Moore, Jerry Zitkovich, Rick Josephson, and Gary Sheneman for all their hard work on this important project.

Thank you also to everyone who volunteered their time and energy at the Boat Show booth. Robert and I will be attending the Totem Yacht Club and Des Moines Yacht Club Commodore's Balls in the next couple of weekends (My knee scooter and cast may or may not go well with my Officer whites!). We're thrilled to represent PSYC and build on our relationships with area yacht clubs.

On a personal note, I'd like to thank everyone who reached out to me following my Jet Ski accident in Grand Cayman. It was not at all how we ever expected to end our lovely cruise vacation to the Caribbean! I had surgery on Valentine's Day, which was not at all romantic, and have finally pushed past the most painful period. It was so nice to hear from you and know I have a community of support with me. I love our club and members!

Vice Commodore's Report – Ted Gross

Hello members. I keep hearing that spring is in the air and alas, yesterday I noticed the Cherry Blossoms blooming. If you are like me, you are trying to get to the boat every chance available to get those spring projects done and be ready for the Blake Island cruise.

As I mentioned last month there were some electrical issues upstairs with the wall outlets. Barry Ellingson and Mike Thompson have replaced all of the outlets and inspected the wiring and report all is good. Thank you, Barry and Mad Dog!

Next up will be the Spring Work Party on Saturday April 25th to get the clubhouse ready for Opening Day, the dock ready for the season

and maintenance and repairs that are needed. Please come support the club and club members. Every little bit helps. I will post a list on the bulletin board and also send out a list. If you would like to help but can't on the 25th, please stop by the club and knock one off the list. Thank you, in advance!

Finally, as you know we are opening the time capsule on opening day. It will be exciting to see what surprises are in there. On that day we are going to reseal the time capsule to be opened in another twenty years. Please let me know of any suggestions of what should go back inside for the 2040 reveal.

Rear Commodore's Report – Trina Smith

There were a couple of great socials this past month. We had the Lobster Feed and it was a packed house, including several guests and potential new members. I want to thank **Nancy & Dave Morton** for pulling out the stops and making this happen...thank you, it was incredible! A shout out to all the folks that helped with the set up and clean up as well. We just had our annual Wine Social with our Sommelier Shelly Fitzgerald and she did an amazing job; always a wealth of information. A huge thank you to our hosts **Mary Hutchinson & Jerry Eichner**, and our co-hosts, **Bob & Judy Quick** for putting this together.

The Seattle Yacht Club Trio had their Opening Day presentation at our last general meeting and they did a great job with their presentation. Hopefully our members will check out the Dock Zero festivities that will be held on Fri, May 1st with the entertaining theme of "Rock Around the Dock." We also had another great presentation that night with the Publisher and Editor of Waggoner Cruising Guide, Mark Bunzel over the

weather and tides in the Sound. Just a reminder that he gave our members a 15% discount in the Waggoner bookstore if interested.

Now it's time for our March Social that is coming up right around the corner on March 7th. Hopefully you've seen the emails and the attached flyer on the "Mardi Gras After Party" themed Cocktail Party that **Lisa Haistings, Echo Tremaglio, and Beth** are hosting. It's sure to be an incredible evening; let's bring out our masks and beads for this one!

We also have the GAFIA Coastal cruise that **Adrienne and Robert** are hosting to look forward to on April 11th. In our last general meeting Suzanne Cayton mentioned that you can book Friends & Family rates through her if interested. You can find current listings in the following link. <https://media.hollandamerica.com/pdf/FNF-current.pdf>

We look forward to seeing you at the Socials!

Fleet Captain's Report – Gary Sheneman

As of this writing there are 20 days, 6 hours and 9 minutes until the start of spring. By the time you're reading this I'm guessing you're much closer. Why the reminder? Because if you haven't already it's time to start getting your boat in shape for another cruising season. We will kick-off our adventures on the first full day of spring when we cruise to Blake Island. No doubt your cruise captains; Jerry & Colleen and Mike and Lisa have provided all the details at the past General Membership Meeting, but if you're still on the fence check out the attached flier or visit <https://parks.state.wa.us/476/Blake-Island>. It's a complete guide to help you understand what this cruise has to offer. What a great destination to shake down a boat that's been waiting for cruising weather.

If Blake Island is not your jam, plan on joining us in Tacoma on Memorial Day weekend. This is always a popular cruise so don't wait to confirm your reservation. We'll have a lot more on this as the holiday approaches but we've inserted a teaser to help pique your interest. Connect with Pat Hansen or Bruce Curry if you plan on attending.

For those of you feeling you're missing out, I'm still in search of Cruise Captains for Labor Day Weekend. Be the one to put the finishing touches on a great summer cruising season. Olympia has A LOT to offer in terms of entertainment and fun. This would be an easy one...

I hope you're all doing well and I look forward to seeing many of you in March.

Sunshine Report – Sharon Moore

Garry and I had a wonderful timesharing Mid-Winter Vacation at Seabrook, near Aberdeen, WA, with our Daughters and Grandsons. We spent three days exploring Seabrook, the ocean, playing games, putting together Legos and puzzles. Lots of great memories!

We love being Grandparents and know our Club has many Grandparents who also enjoy the special times we share with our Grandchildren. I know your Grandchildren love to spend time with you and your children are grateful for the added attention you provide for the Grandchildren you love so dearly.

Garry and I also purchased a new Apex dingy at the boat show. We have had fun driving our new, sparkling dingy on Lake Union. We waved to Kevin Haistings as we passed the Harbor Patrol!

I want to update you on Adrienne Dahlin ankle surgery. Adrienne besides fracturing her ankle, also has tendon damage. She is unable to put weight on her foot now, but she is looking forward to a boot soon and also going on the Club's GAFIA Cruise in April. Besides Adrienne's injuries, she and Robert just moved to a new home in Issaquah. Everything always seems to happen at once!

Life is simple, just add water!

Commodore's Long-Range Planning Update

As mentioned in my Commodore's report, the results of the work the LRP committee did on the Boat Show booth and website attracted much interest in PSYC. 48 contact cards were filled out and our Membership Committee Chairs, Katie and Echo, reached out to all those who expressed interest in membership. One person has already paid two years of dues and will be inducted at the March general meeting.

Seven prospective members attended the February general meeting and an additional two couples would like to attend an upcoming dinner of social. This is a marked increase in post Boat Show interest compared to the last few years and it's clear the efforts to refresh our look have been successful!
