Commodore's Report – Adrienne Dahlin

Happy October!

This is my favorite month of the year as nature dazzles us with such brilliant colors. I hope many of you will have the opportunity to enjoy a bit of autumn boating to view the spectacular scenery from the water, perhaps while participating in our annual club cruise to Poulsbo.

I'm very happy to report that we had a record turnout for our September General meeting, at least since conducting them via Zoom, and it was wonderful seeing and hearing from everyone.

We inducted a new member, Beth Wilcoxson and wish her the warmest welcome to PSYC!

There was robust discussion on the agenda items, including several member suggestions

for virtual socials, which Rear Commodore Trina Smith will provide details on. The membership spoke loud and clear in opposition of dock tenancy term limits so the Board will not be pursuing further at this time. I invite each of you to attend the next meeting on October 21st. It's valuable to stay connected as best we can during these most interesting of times and participation is important to ensure each of us has a voice in club matters.

Finally, it's club election time once again and I'd like to thank everyone who has volunteered to run for the open positions! Serving on the Board is an incredible way to learn, become more engaged, and give back.

The slate of candidates is given later in this newsletter. Voting will be done electronically via Google Docs, so absentee ballots are unnecessary this year.

Vice Commodore's Report – Ted Gross

Hello members.

Pumpkin everything is now available. Fall is here. I love all the seasons, but the autumn season is always special - comfort food, and I love making a great pot of soup. As I was volunteered by our Commodore to do a Zoom social get together cooking demonstration, please feel free to send me a message of what you might like me to make.

There will be no Fall work party for obvious reasons but I will post a list for members of some maintenance items that need to be

taken care of, If you do choose to help, please sanitize any areas that you may work in and follow social distancing and wear a mask on the dock should you go to the clubhouse.

If you attended the last General Meeting you know that there was a lengthy discussion regarding dock moorage. Another spot is opening up with the sale of Rich and Echo Tremaglio's boat. That's two this year. If any members are interested, I encourage you to contact myself or our Dock Master Robert Murphy and we can have you and your boat added to the waiting list.

Take care and be safe

Rear Commodore's Report – Trina Smith

Greetings Members!

Fall has arrived but at least we had some beautiful weather our last week of September.

We need to keep social distancing for awhile, so we thought of a few virtual social events at our last meeting. We had our first virtual happy hour last Friday and it was great to catch up with members without a meeting. 😊 They are every Friday @ 7pm so hopefully our members can join in when they are free.

In addition to the weekly virtual happy hour events, we will have a fun mixology event on

Oct. 17th for anybody who would like to share their favorite cocktail recipe and show us how it's done.

Our Vice Commodore plans to give us a virtual cooking demonstration, but we are still working on a date to do this. You'll see something on it soon.

We need to cancel the Halloween Social but I'm sure we can think of something virtual as the time gets closer.

Lastly, I hope all of you are well and staying safe from all the craziness lately; smoke from the wildfires, riots around the city, and COVID. Please stay home and safe when possible. I hope to see all of you online soon!

Fleet Captain's Report – Gary Sheneman

Summer has officially come to an end on the calendar, but the warm and inviting weather continues. A perfect opportunity for some extended cruising.

While we're closing in on the end of our cruising season, the timing of our next event is working out perfectly. We currently have more than a dozen boats planning to plunder the Port of Poulso the weekend of October 9th - 11th. While the usual shenanigans will have to wait another year, I'm sure the Murphy's and the Greene's will do everything possible to ensure a safe and enjoyable weekend.

Do remember, the Large Locks are closed for annual maintenance until December 6th. Good and bad news for those of you in the lake. You can count on an easy lock but perhaps a long wait. Don't forget to factor it into your plans – you don't want to be late for happy hour!

Our next cruising event is the annual Seafair Holiday Cruise but given state restrictions we are not expecting an event at the club. We will tell you more once we hear as there is a possibility, you'll be able to join a virtual event with our annual guests.

We'll wrap up the year in Bell Harbor, but more on that next time....

Please keep safe!
