Commodore's Report – Adrienne Dahlin

Happy Spring! This is a very exciting time for our club and the community as Washington state has moved to Phase 3. For PSYC this means the long-awaited re-opening of the clubhouse and dock for meetings, rentals, and reciprocal moorage. We will be having our first in person General Meeting in over a year on April 21st and I cannot wait to see everyone! The Board will discuss how to handle dinner and we'll send out information with the agenda. We may need to have everyone bring their own food for a few months just to err on the side of caution. We'll do the best we can to also offer the meeting via Zoom for those not yet comfortable with in-person gatherings. I can't promise a perfect hybrid experience, but we'll give it a go.

The Tacoma Yacht Club is hosting their annual Daffodil Boat Parade on April 18th. If anyone is heading down to watch, please take pictures of the decorated boats to share with the club at the May General Meeting. I think this would be a great event for us to participate in next year and we can get some ideas of what kind of decorating will be required.

The scaled down version of Opening Day is coming up on May 1st. We still don't have all the details from the organizers but save the date if you want to participate in the un-official parade and post parade events. More to come!

A few friendly reminders–

- 1) Masks must be worn when at the clubhouse or on the dock when others are present. With the clubhouse re-opening, it is best practice to always have your mask on while inside in the event someone stops by.
- 2) Float plans must be filed on our website to reserve dock space at Hat Island. You will be asked to leave if you arrive without a reservation and someone else who did file their float plan needs moorage. We don't want this to happen to any of our members! File a float plan and be assured of a wonderful stay at our outstation.
- 3) Please be sure to check the social and cruise calendars as we have many great events planned this spring and summer. Join in the fun!

Vice Commodore's Report – Mike Thompson

I want to thank the members the showed up on short notice to get the club ready to open for Water's Edge. We had Suzanne Cayton on bathroom duty, Jerry Zitkovich on floors, Lisa and Christian Thurmond on windows, walls, pressure washing and weed burning, David Morton along with Pat Hansen got the ceiling tiles installed, and yes I supervised and cut a few tiles. There are still a few things that need to be fixed like, 1) a few back steps 2) the hand railing on the walk way upstairs. But we can do these things at our next work party.

We have an in-person dock Friday coming up on April 2nd, so I would like everyone to stop by and say HI. We are calling this our Coming Out Party! No not like that, but after Covid we need to come out and say Hi. This is a BYOB and BYOF and that means bring something to drink and eat on your own for now. We will be there Friday with our new boat that Lisa is decorating for the Easter Parade on Saturday April 3rd. There is still time to enter so please do.

I can't wait to see a lot of faces at the Dock Friday and at our general meeting!

Rear Commodore's Report – Robert Dahlin (acting)

Happy Easter Everyone!! Now that the Governor has moved us to Phase 3 {Yipppeeeee!!!} and vaccinations of our membership are underway; are you excited about upcoming Club Socials? You should be, because we have an incredible lineup that will make up for the long days at home playing Scrabble and losing at card games! Here is the list of upcoming events:

- [Yippee we're in Phase 3 Friday Dock Party April 2, 2021 at 5PM Hosted by the dynamic duo of Mike Thompson and Lisa R-T!](#)
- [White Party on the Dock, June 4, 2021 at 5PM, hosted by Commodore Adrienne & DJ Captain Rob!](#)

Fleet Captain's Report – Robert Dahlin

Happy Spring Club members!! With more and more of us getting vaccinated and King County entering Phase 3, things are really starting to look great for club cruising this summer!

Below is the list of cruises for the summer:

We still need Cruise Captains for the Memorial Day cruise to Olympia at Swantown Marina and for Port Ludlow on July 16-18. These are both wonderful destinations that could use your help to add some fun to the cruise!

Please email me at robertdahlin@yahoo.com if you are interested in being a cruise captain for one or both of these cruises or if you have

questions. Also, due to Arabella's in Gig Harbor being closed all summer, we have changed that cruise to a Poulsbo Anchor out cruise! Please email me if you are interested in attending any of the cruises listed.

Our first cruise of the season will be at Edmonds Marina on May 21-23rd. If you haven't been to Edmonds Marina before, there are lots of incredible restaurants, bars and scenic vistas that are perfect for your "Coming out of Covid" cruising experience! Please email Lindell at lindell@live.com if you are interested in attending this cruise.

See you out on the water!
