## Commodore's Report – Adrienne Dahlin

Happy New Year! After the many challenges 2020 delivered, 2021 looks much more promising. While we can't return to club social gatherings just yet, I believe there is hope the restrictions will be lifted by spring or summer. What a welcome day that will be and we will celebrate! I can't wait to see all of you in person at cruises, dock parties, and socials.

I'd like to thank everyone who attended our virtual Change of Watch in December as well as the Past Commodores who volunteered their time to administer the oaths of office. It wasn't quite the same as the wonderful dinner and awards banquet which usually accompanies the ceremony, but we made the best of it and it was a nice evening. I am very pleased to continue serving the club as Commodore in 2021 and so appreciate that Ted, Trina, Craig, and Lindell are also willing to continue in their roles. I would like to thank our 2020 Fleet Captain, Gary Sheneman, our 2019/2020 Trustees, David Morton, Rodney Jong, and Echo Rowe

Tremaglio, and 2020 Trustee, Jerry Zitkovich (who stepped in as an alternate) for their time and dedication to the club during this past year. The virtual work wasn't always the most convenient or easy, but everyone was flexible and had a wonderful attitude through it all. It was an honor serving with each of you. I look forward to a productive, as well as fun, year with this year's Board doing the work of the club.

As previously announced, we will not be participating in this year's virtual Seattle Boat Show. We were offered a free listing and the Board will work with the webmaster to put a message on our website's landing page directed toward those interested in our club. With a bit of luck, we just might be able to enlist a few new members.

Finally, please plan to join us at the General Meeting on January 20<sup>th</sup> as the 2021 budget will be presented. I hope to see you then!

## Vice Commodore's Report – Ted Gross

Happy New Year! I hope you were able to get together with your family one way or another during the holiday season. I know that we all now have a different appreciation for getting together with family and friends. My hope for the new year is that we will all be able to return to cruising, meeting, and socializing as in the past.

When gatherings become possible, I hope you will help me show pride in our club.

It will be more important than ever to come together as friends and members of the club we all love to get our house in ship shape again. There are many projects in waiting and I look forward to the day we will be together again. All my best and wishing you happiness in this new year.

I can't give you a sure-fire formula for success, but I can give you a formula for failure - Try to please everybody all the time.

## Rear Commodore's Report – Trina Smith

Happy New Year!

This past year has been difficult, but I hope all of you were able to enjoy the holidays. I am happy to be your 2021 Rear Commodore again, and hopefully we'll have more in-person meetings, socials and cruises this year...fingers crossed.

I would like to take a moment to thank all those who supported the club this past year during these trying times. It has definitely been challenging but we have learned to adapt, and I just want to send a huge thank you to all that helped make this past year work for the club.

Since we were not able to do most of the socials planned in 2020, we are giving it another shot this year but plan to do them virtually until we can meet in person again. The first social event coming up this month is a Virtual Game Night with a TV Show theme. Our new Fleet Captain, Robert Dahlin, will be assisting with this; he has plenty of apps to

choose from...☺ This will be held on Sunday, January 17<sup>th</sup> @ 5pm. Please look for the Zoom invite coming your way shortly. Robert and I also thought about doing a little trivia that night with fun facts on our members and having our members figure out who the person is. If you have anything you want to send Robert or myself on this, please let us know.

We will also have a guest speaker for our January meeting on Wed, 1/20. Rob Sendak with the Washington State Boating Program will be giving us a WA Pumpout Update. He spoke at the annual RBAW meeting back in November and is happy to give us a short 15-20 minute presentation starting at **6:30pm**. Hopefully all attending our general meeting can join in at that time. I'll see you there! Please see our 2021 PSYC Socials below.

## Fleet Captain's Report – Robert Dahlin

Happy New Year Club Members!!

I am excited to be your new Fleet Captain for 2021 and even more excited that 2020 is behind us!

Special thanks to all of you who participated in the 2021 Social & Cruise planning meeting in November. Your feedback on socials and cruise destinations is greatly appreciated as is your desire to volunteer to Captain/Host these events! We brought back the Olympia cruise destination that we were not able to do last Labor Day and

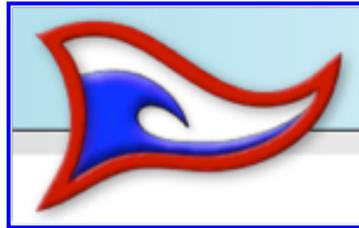

moved it to Memorial Day, brought back Port Ludlow and Gig Harbor {popular destination from 2018}. We've also added Bremerton, instead of Port Orchard for the Kitsap Wine Festival weekend and included Everett as our destination for Labor Day.

We currently need volunteers to be cruise captains for Olympia, Port Ludlow and Everett. Anyone willing to be a cruise captain for these destinations, please send me an email at [robertdahlin@yahoo.com](mailto:robertdahlin@yahoo.com).

Let's make 2021 our best cruising year yet!
